

## Zoning Plan Supported At Hearing In Madison

No Opposition Voiced As Commission Holds Venice Twp. Session

(Pictures on Page 31.)

No opposition—and extensive support—developed as the series of Madison county zoning hearings reached Venice township Tuesday afternoon.

Again, no suggestions for changes in the proposed county zoning ordinance and zoning districts were submitted to the County Zoning Commission. About 40 persons attended the session, held at the Madison city recreation center.

Mayor Stephen Maerz of Madison strongly endorsed adoption of zoning and also expressed the favorable views of Venice Mayor John E. Lee, who is attending the Illinois Municipal League convention in Springfield. Maerz had consulted Dr. Lee on the matter before returning here from the IML meeting Monday night.

President Alex Scheinoff reported that the Madison Rotary club has endorsed county zoning, and Milton Morris told of similar action by the Venice Lions club. Morris added his personal endorsement of the program.

Views Of Cong. Price

George Arnold, Edwardsville Chamber of Commerce committee chairman, quoted a letter to him from Cong. Melvin Price in which Price said he is in agreement with your thoughts on the zoning matter. I don't think it is possible for an individual community to compete in this modern era without concise planning and zoning.

In my opinion, Cong. Price continued, "Southern Illinois University is justified in the position it has taken. I am sincerely hopeful that local authorities will fully cooperate with the university so Madison county may someday—and I hope soon—play its part in developing the proper kind of scientific and academic program. The economic development of this area depends upon it."

Although not speaking out during the hearing, James J. Devereaux asked to be recorded afterward as supporting the zoning proposal. He is one of the developers of a Holiday Inn motor hotel atop Stony Hill, and is associated with the Joseph H. Vatterott Realty and Building Co.

Thomas Butler, Altan, chairman of the zoning commission, conducted the entire meeting. The last supervisor, Arthur "Cooper" Moore, was out-of-town and Mayor Maerz assisted in the meeting and comments.

No Revision Suggested

Butler called successfully for revision proposals from residents property owners and those living in neighboring communities who might be affected by zoning of unincorporated areas of Venice township. No one responded. As in the case of Granite City, (Continued on Page 22, Col. 6.)

## Bids Total \$216,000 On Two School Additions

Six New Classrooms Planned At Mitchell And Four At Nameeki

Low bids totaled \$216,614 Tuesday night on the Granite City school board received proposals on construction of additions to the Nameeki and Mitchell grade schools.

Apparent low bidders were G. H. Sternberg and Co., Granite City, \$143,913 on general work; E. J. Meag Plumbing and Heating Co., East St. Louis, \$37,048 on plumbing; Thomas Melville Plumbing and Heating Co., East St. Louis, \$19,491 on heating work; Dron Electric Co., Granite City, \$10,504 on Mitchell addition electric work; and Rite Electric Co., \$5,669 on Nameeki addition electric work.

School administrators began conferring yesterday with Architects Henry Gehring and Sylvester Dulgoff and will submit their recommendations at the next regular board meeting Nov. 13 or at a special meeting if one is called before then. It is planned to add six classrooms—five regular rooms and one kindergarten room—at Mitchell and four rooms at Nameeki.

There was some question on the Melville hearing bid, since he bid \$41,020 on plumbing and submitted a combined plumbing-heating bid of \$88,460. On hearing, Melville bid \$11,333 on the Nameeki addition and \$19,491 for both and left the Mitchell addition bid listing blank.

## Quad-Cityans Concerned, Support Cuban Blockade

A Press-Record survey of Quad-Cityans reveals strong support here for President Kennedy's action in establishing the Cuban blockade this week. Many expressed a feeling that action should have been taken sooner.

Concern of local residents over the situation is demonstrated by the number of calls reported by the Granite City Civil Defense organization.

A spokesman said, "CD officials have been flooded with calls at their homes."

The Civil Defense headquarters will be open today, Friday and Saturday to handle the unusual number of calls. It was announced. The office, located at 1411 Nineteenth street, ordinarily is open only on a part-time basis.

All local Civil Defense organizations have been placed on alert by the state headquarters. At a meeting last night, Civil Defense officers planned a series of courses on the effects of radiological fallout. A two-hour course will be given at 7:30 p.m. each night Monday through Friday at the CD headquarters.

Designed to instruct the public in radiological defense, the course features a color movie and other instruction. Instructors are John Becker, Harold Mayfield and Kipling Pelett. All were trained in national staff courses.

No Depot Action

No particular action related to the Cuban situation was reported at the Granite City Army Depot.

Troops here are always on red readiness but we're more alert since the President's talk," a spokesman for the Army Depot advised the Press-Record.

While there has been no special activity at the local Corps of Engineers installation, a reorganization program instituted last summer has resulted in night and weekend work of scattered units and departments.

About 150 soldiers departed yesterday for Fort Leonard Wood, Mo., for routine training which is to consist of two days of night and weekend work. The spokesman said the troops were from several companies who had not completed their phase of training. "We call them a make-up group," he added.

Typical of comments received by the Press-Record are the following: "We're not surprised," Mrs. James Nolan, Granite City housewife—"The situation

## SIU Building To Begin As Zoning Is Provided

University President Addresses 22nd Annual C. Of C. Dinner Here

(Related stories and pictures on pages 5, 34, 41.)

Plans and specifications for new buildings on the near-by campus of Southern Illinois University will be ready by bids the day adequate zoning measures are adopted, Dr. Delye W. Morris said Tuesday night.

The SIU president was guest speaker at the 22nd annual meeting of the Tri-Cities Chamber of Commerce. A dinner and installation of new chamber officers preceded Morris' talk in the Venice-Medison Post 307 American Legion hall in Venice.

The university would be ready to call for bids for construction of the Tri-Cities buildings this weekend if the campus were protected by a zoning ordinance, Dr. Morris told an audience of about 250 C. of C. members and guests.

"Each day zoning is delayed after this week delays the implementation of our new campus," he said. This also means a delay in employment and expenditure of construction funds in the area which will accompany the SIU building program, he added.

Dr. Morris said the university is devoted and obligated to a linkage with the community which supports it. In addition to the important duties of teaching students and carrying out research, he said, it should enter into a relationship with the community about it which benefits both.

New Kind Of Area

He described the area to be served by the Southwestern campus of SIU as an emerging kind of metropolitan area—a dispersed motor car community. Unless there develops a relationship between the university and the community which contributes to the good of both, he said.

## Villages Are Vested With Broad Powers

Pontoon Beach Body Later Could Expand, Add More Services

(Third of a series)

Advocates of a proposed Pontoon Beach village government—which is to be decided upon by voters Saturday, Dec. 8—plan only limited services and spending.

Within its financial means, the village operation could be expanded—later or almost at once—depending on the views of village officials. The officials would be chosen after the village was incorporated.

Additional territory could be added to the village and additional services could be started. More village jobs could be created and the pay of various positions could be raised, if necessary funds were available.

Limits Set By State

Villages, like cities, are creatures of state government. Their powers are set forth by the Illinois state statutes and municipal code. The authority of village officials is subject to the state and local law—and the electorate when officials' terms expire.

The current Illinois municipal code specifies that "whenever any area of contiguous territory, not exceeding two square miles, is divided into two or more municipalities, the corporate authorities of each existing municipality consent to such incorporation—and has residing therein at least 400 inhabitants living in dwellings other than those designed to be mobile, it may be incorporated" by petition of 35 electors and majority approval at an election.

The village president, with the advice and consent of the board of trustees, could appoint a treasurer, one or more street commissioners, village marshal and "such other officers as may be required."

## GC Can Expect Order From SWB In Three Weeks

Blame For Voting By Minors Placed On School System

(Special from Springfield)

A special report issued by the Madison county grand jury Tuesday placed major responsibility on the Granite City school district for voting by minors in the April 1962 school board election.

No indictments were returned. It was believed that some of those voting illegally were unaware of the law, and those minors who testified were granted immunity.

Adults were described as encouraging children to vote, and it was learned that many of those in the vicinity of the Washington grade school polling place had looked to a political party for guidance in their election activity. However, this was not a crime, since the leader and adult vote solicitors had no official election capacity.

Hiring of vote solicitors by the school and payments to them by a member of his family were brought out during the grand jury investigation.

School District Comment

School officials this week took exception to some of the points in the grand jury report which charged that school principals were not mailed, as stated by the jury, but instead were handed to the judges by school principals, who explained their duties. School administrators were on call throughout the day at the board office to answer inquiries, and affidavits were taken from each school principal.

The affidavit form used, which meets legal requirements, permits signatures of many voters on the same sheet. The grand jury suggests that individual affidavit forms might be given to each school principal.

## U. S. Agent At Today's Pollution Abatement Hearing In Springfield

(Special from Springfield)

An order setting a schedule for Granite City to complete a sewage treatment plant can be expected in three weeks. That was announced following today's "show cause" hearing before Clarence W. Klassen, chief, state sanitary engineer and technical secretary of the state Sanitary Water Board.

Appearing for the city were Mayor Davis, Alderman Frank Vesi, who is chairman of an emergency pollution study committee; City Engineer David Johnston and his aide, A. W. Pearson. Also present were two representatives of the Citizens' Sewer & Drainage Committee, G. W. Hoelscher and Allyn Robertson.

Testimony was presented by Douglas Morton, state health department sanitary engineer specializing in abatement of stream pollution, and John Rademacher of Chicago, engineer in the U. S. Department of Public Health.

Both testified that city of Granite City failed to comply with a sewage treatment plant operational deadline of Dec. 31, 1961. The deadline had been set during a conference held in 1958.

Bi-State Agency Presses

Klassen told the city officers that Granite City had three alternatives available for solving its pollution abatement sewage treatment plant facilities built by the Bi-State Development Agency, the Levee District or the city itself through a non-referendum bond.

Morton pointed out Granite City had a "good program" in the making, but it was defeated by 2000 votes in an Oct. 2 referendum.

Rademacher's comment was—"The lack of progress by the city of Granite City along with agencies, communities and industries which have not complied with the March 4, 1958, conference objectives, will result in a reappraisal of the situation by the Secretary of the U. S. Department of Health, Education and Welfare."

"He may be obliged to call a referendum," Morton said.

## Protest Caucus Sessions, Engineering, Settlements

Protest votes with a bare quorum of nine aldermen present resulted in a city bill list totaling \$31,775 going unpaid Monday night.

The major controversy was over paying a \$17,200 out-of-pocket settlement for sewer repairs which the objectors blamed on city engineering errors. Also, five lateral collection and conveyance line expenses for city officials also were brought out.

How the \$17,200 settlement for the Granite Concrete & Construction Co. had been paid in advance of the bill list approval, City Atty. John Gitchoff said the check was mailed after the council voted approval of the settlement last week. He said the city has received a letter from the \$50,000 lawsuit filed in the U. S. District Court at Springfield.

"That payment was approved at the last council session," Gitchoff pointed out, when Alderman Donald Partney in an earlier Acting Mayor Partney's Master said it was one of the payments he opposed.

The \$17,200 out-of-pocket settlement was arranged by Gitchoff and announced last week. At that time, Partney protested, saying the city should take its chances in court.

"Method Of Protest"

Alderman Paul Rutledge, who with Partney voted against the bill commented later that "no" votes were the only method

remaining to voice protests against the council's actions. The two aldermen have a lawsuit against the city to halt the \$520 unbudgeted purchase of a 35-foot tract for Wabash avenue.

Rutledge said the Granite Co. quit the 20th street sewer repair job because specifications prepared by the city engineering staff showed three instead of five laterals. The extra laterals caused dewatering problems, which the firm had not expected to encounter in the repair along the trunk line which services Granite City Steel Co. as well as a large section of the city.

The repair job with the \$17,200 settlement cost the city \$18,676. Rutledge said the city could figure for replacing the Terrace sewer line early last year and we went ahead with costly repairs work. "Then we dumped all the repairs and the line was replaced at about a fifth of the estimate he had given."

The two aldermen say they also are protesting the closed door caucus sessions. They have been held in recent weeks. "Caucuses Serve No Purpose"

Another alderman Press-Recorded the caucus meetings served no purpose other than at one time it was pointed out the city could expect a payment from Granite City Steel Co. toward the cost of the 20th street sewer repair of about \$45,000. "The city attorney didn't want this out before the

Granite suit was settled," the council member added.

At another caucus, the council members agreed to accept \$300,000 from Illinois Terminal Railroad Co. for removal of abutment structures, a job which City Engineer David Johnston said would cost \$188,000 to do.

A resolution to settle the matter was placed on first reading last week. Immediate approval could be obtained because of protest votes by Partney, Rutledge and Alderman Mrs. Gabrielle Beline.

The two aldermen protested the scheduled payment of \$12,291 to United Disposal Corp. for October trash and garbage pickup in the city. Partney said he was opposed to the contract. At a meeting last week he objected to the cost of the collection under private contract, saying the city could operate the same system at less cost.

Included on the unapproved bill list were \$11 aldermen and city officials at the attendance at the Illinois Municipal League convention in Springfield. It opened Tuesday and extended through Tuesday afternoon. The convention was the reason for the bare quorum present for Monday night's council meeting.

"We're not objecting to attendance at the convention," Rutledge said, "but with the financial condition of the city, it doesn't seem advisable for so many to go. Several could have

attended the sessions and presented reports to the council."

Watches Bill Lists Closely

Partney said he closely scrutinizes each bill list. "That's taxpayer money. I watch it more closely than I do my own for I feel that it is obligation as a council member and elected official. I noted the convention allowances and also the regular \$30 monthly allowances total about \$100."

It was pointed out that other municipalities attend en masse, "but they're not as short of funds as Granite City," Rutledge said. "Also, no itemized expense accountings are required."

Each official is allowed \$100 regardless of the time spent at the convention. Alderman Joseph Cuvar, who has resigned the council effective Nov. 1, was not present.

Those on the unapproved bill list are Walter Noron, Edmund Barbausk, Sam Whitely, Samuel Shackerford, Mrs. Bettine, Steve Basarich, Frank Vesel, the Honorable Fred J. Schmitt, Police Magistrate Andrew Gasparovic and Supt. of Streets William Williams.

Monday night's meeting was attended by Alderman LeMaster, who presided due to the illness of Mayor Davis. Edna Von Schmitt, who was on crutches because of a sprained right

## GC HS Alumni Association Gives Respirator To School

Daylight Saving Time Ends 2 A.M. Sunday

Quad-Cityans will regain the daylight hour of sleep this weekend they lost in April. Daylight saving time will end at 2 a.m. Sunday.

Summer time started the time clock were advanced one hour of sleep. Daylight saving time ends the last Sunday of October.

It is recommended that clocks be put back one hour on Saturday night.

High School Alumni Association

All officers of the Granite City High School Alumni Association were re-elected Monday night during the Homecoming banquet. A special feature of the meeting was presentation of a respirator to the school's athletic department.

The annual banquet, attended by 115 persons, preceded the school's Homecoming play and the crowning of Miss Carolyn McVeen as Harvest Queen.

Renamed for one-year terms were Mrs. Gail Gargac, secretary, and Mrs. Eva McVeen, treasurer.

The banquet was held in the club room of the Y. The club setting to feature "premiere night." Members of the Y. Young Men club provided entertainment, giving costume skits from Broadway musicals.

Honor Miss Blackburn

Guest of honor was Miss Mary Blackburn, head of the high school speech department. She was given recognition by Par-

ty, who presented her with a corsage. Other guests were Board President and Mrs. Robert Spangler, School Supt. and Mrs. Harold C. McVeen, and the retiring May Queen, Miss Teresa Griffith.

In another presentation, Miss Frances Lynch, librarian, was awarded a volume, "Masters of Modern Drama," with 35 plays to be given to the school library. The respirator was presented by Athletic Director Richard Yates.

Changes in bylaws were voted by the membership. Dues are to be \$2 a year for graduates joining the association in any month other than Homecoming month. The Homecoming month rate is \$1. A quorum for a meeting was set at 10% of the membership, and associate members are to be given voting privileges.

## Charges Waste In County Clerk Office

Robert T. Byrne, Granite City Republican candidate for county clerk, charged today that there are grave wastes and inefficiencies in the office.

Byrne said canvasses of several precincts in Madison county indicate that errors in the official voters' registration lists can run as high as 20%.

"Canvassers working with March, 1962, lists have found as many as 96 inaccuracies in one Granite City precinct, 38 discrepancies in an Alton precinct, well over a hundred discrepancies in another Alton precinct and over 25 in an Omphugan precinct," he asserted.

Byrne added that the discrepancies cover a wide range of error. Records show 15 registered voters living in a two-room house in one area, names of persons who have been deceased from two to five years in many cases, and dozens of names of people who have moved out of their precinct, ward, county and even the state. In most cases, the mistakes had taken place in periods of time ranging from one to five years, he said.

"This is a deplorable condition of official voting lists, especially when viewed in light of the \$77,000 spent in the first four years (\$33,018 in 1959-60 and \$44,000 in 1961-62)," Byrne said. He also was critical of the extensive remodeling and redecorating of the county clerk's office at a time when the Board of Supervisors is in the throes of budgetary problems with the possibility of having to curtail county services by as much as 20%.

Byrne said an elevator for the offices of the county clerk reportedly cost \$24,000. Byrne, 40 years old, lives with his wife and two children at 2312 St. Clair avenue. An ex-serviceman, he is a member of the American Legion, Masonic Order, Fraternal Order of Eagles and is a former member of organized labor, having been associated with the C.I.O. Mine, Mill and Smelter Workers. He is in the real estate and insurance business.

Miss Eulalia Holz, Democrat, is seeking re-election as county clerk.

## Scouts To Lead Annual Halloween Procession

Boy Scout Troop 16 of Moose Lodge 272 will lead the annual Halloween parade in downtown Granite City Wednesday, Oct. 31. The parade is sponsored by the lodge.

All participants should be at the assembly point by 7 p.m. The parade will start at 7:30 p.m. The costumed marchers will line up at the city hall. From there they will follow a route east to State street, west on 19th street to Niedringhaus avenue, then east to the city hall where prizes will be awarded.

Prizes will be for the most original, best dressed, most comical and best group costumes. They will be first, second and third place winners in each category, plus numerous consolation prizes. Edward Chastain, activities chairman of the lodge, is in charge of arrangements. Three judges will be appointed. Several hundred marchers are expected to participate.

## Four To Be Installed On District PTA Board

George Moore and Homer Johnson, both of Granite City, and Bruce Ford and Mrs. Ola Jones, both of Madison, will be installed as members of the board of directors of District 29, Illinois Congress of Parents and Teachers, during the district's 27th annual conference Thursday evening, Nov. 1, at Jerseyville high school.

Mrs. Ford will offer the invocation at a 6 o'clock dinner, and principal speaker during the evening will be Mrs. Percy Benner, state PTA program service chairman. A resident of Urbana, Mrs. Benner will discuss "A Look to the Future."

## Attend Funeral In Decatur

Mr. and Mrs. T. R. Westbrook and children, Rick and Cheryl, 2400 Logan avenue, and Mrs. Dorothy Westbrook of Cleveland blvd., were in Decatur Tuesday to attend the funeral of Mrs. Bessie Burns, a sister-in-law of Mrs. Dorothy Westbrook and aunt of T. R. Westbrook.

Services were held at a Decatur funeral home and interment in a Maoro, Ill., cemetery. Mrs. Burns was a sister-in-law of the late Howard Westbrook.

## Park Annexes 6.9 Acres; Enters Film In TV Contest

Granite City park board commissioners adopted an ordinance last night annexing approximately 6.9 acres into the park district.

The annexed territory is known as the "seventh addition to Cloverview subdivision." It lies along the north side of Pontoon road to the park district of the Granite City city limits.

It includes the site of a shopping center now being developed by subdivision Leo Wolfe. There are no residents or tenants in the annexed area at present.

The commissioners also voted to enter the park district's descriptive color film, "The Granite City Park District In Action," in a national contest for recreational films which have been presented on television.

The contest is sponsored by the National Recreation Association. First prize is \$1000 for the organization making the film and \$1000 for the television station which broadcasts it.

The park's film was presented over St. Louis Educational TV station KETC last May 16.

**Duplicate Ordered**  
A duplicate of the 45-minute film is to be prepared for the park district by Swank studios of St. Louis at a cost of approximately \$250. The duplicate will be placed in the Swank film rental library.

Park Supt. Brown said a duplicate was a pressing need since so many requests for showing of the original film have been received. The film drew favorable comment at last week's con-

vention of Illinois park officials in Peoria, he said.

The film rental fee was established at \$10, with the St. Louis studio, which prepared the original version after photographer Harry Fichte had spent about a year shooting various park scenes and activities, to receive a \$3 fee for each showing and the park district to get the remaining \$7.

About 19,000 color postcards, including six different views of Wilson and Memorial parks, are expected to be received by the park district this month.

They will be placed on sale at park concession stands next spring, and are to be made available to local drug stores and confectionaries at a wholesale price shortly after they arrive, with a suggested resale value of 10 cents each.

**\$2540 For Brickwork**  
Bills for the period Sept. 25-Oct. 23 approved for payment last night totaled \$3850, and included \$2540 for brickwork at the park district community center, where six window openings were redesigned and filled with opaque glass bricks and a ventilation louver was installed.

Salaries of park personnel for the same period totaled \$4825.

Additional expenditures authorized last night included \$472 for two steel basketball backboards, including supports and bracing, to be installed as replacements for old wooden backboards at the recreational center; and \$161 for 24 covers with swinging lids which will be placed on refuse cans in Wilson Park.

Oct. 25, at MERCER FUNERAL HOME Chapel, 1416 Niedringhaus avenue. Interment St. John's Cemetery.

## Area Traffic Mishaps Injure Four Persons

Four persons were injured this week in accidents in the Quad City area or involving local residents. Authorities reported 18 traffic mishaps.

Two persons were injured about 3:45 p.m. Tuesday in a collision at the intersection of State and 24th streets. Drivers of the two autos involved were Earl S. Grant, 69, of 1709 County, and Lismus J. Wyatt, 51, of 2510 State street, Wyatt suffered minor injuries.

His passenger, Mrs. Marion Wyatt, 87, of the same address, suffered serious injuries and was treated at St. Elizabeth Hospital and released.

Vladimir Fryntko, 41, of 2904 Indiana street, was injured slightly about 7 p.m. Wednesday when the auto he was driving was involved in a collision. He complained of head and back pains but declined emergency treatment in favor of seeing his own doctor.

He told police he had been stopped at the railroad tracks on Niedringhaus avenue for a train and was proceeding across the tracks when the accident occurred.

The other auto involved was driven by Ruth L. Bolt, 32, of 1019 Maple. Her auto was damaged in the front. Fryntko's auto was damaged in the rear. Both autos were going east.

Chester Jones, 32, of 3020 Sinclair avenue was admitted to St. Elizabeth Hospital last night with injuries to his right knee and left hand received in a motorcycle accident. His condition was listed as good. Details of the accident were not available.

**Mrs. Etta Madison Dies; Has Son Here**

Mrs. Etta R. Madison, 68, of East Alton, died at 6 a.m. yesterday at Alton Memorial Hospital. She was the mother of this Madison of Granite City.

Funeral services will be held Saturday at 2 p.m. at the Friendship Baptist Church, Alton. Burial will be in Upper Alton Cemetery.

Other survivors include five daughters, another son, a sister, two brothers, 24 grandchildren and 11 great-grandchildren.

**Rifle Disappears**

A 22-caliber rifle disappeared from the boiler room of Granite City high school. Teacher Joseph Fedora told police Monday he purchased the rifle and it was delivered to the boiler room a few days before. At first he thought it had been merely misplaced and did not report it right away.

**New Appeal On Dogbite**

Another appeal was made today by Mr. and Mrs. Kenneth Graham, 2017 Manley avenue, whose son will have to start a series of anti-rabies shots next week unless the dog which bit him recently is located. They ask that the owner of the dog contact him so that it can be verified whether the dog is rabid.

**Auto Riffled**

Harley Warren of Roxana told Granite City police Wednesday that while his auto was parked from 3-11 p.m. Saturday on 20th street near the railroad tracks, two bowling balls, two bowling bags and two pairs of shoes were stolen. Warren was working at the time at a nearby plant.

## Villages Are Vested

(Continued from Page 1.)

necessary to carry into effect the powers conferred upon villages. If a village collector is desired, the village board could add those duties to the office of village clerk.

**Taking Licensing Powers**  
General city powers relating to appropriations and tax levies apply also to villages. Broad licensing powers also are granted.

The Illinois municipal code, which went into effect July 1, 1961, places both cities and villages in the general category of municipalities. Except for specific provisions and exceptions within the detailed text of a few of the statutes, villages have much the same powers as city governments.

The municipal code is divided into 10 major articles—general provisions, organization of municipalities, officers, commission form of government, managerial form of municipal government, territory, finance, local improvements, employees and employment, and corporate powers and functions.

**Village Powers, Functions**  
Categories of corporate powers and functions designated by the code are as follows:

Public health, safety and welfare—police protection and public order; fire protection; planning, zoning and urban rehabilitation; health regulations; hospital and sanitariums; control over building and construction; vehicles; powers over certain businesses; general assistance; boats and harbors; cultural activities; cemeteries; weights and measures; athletic contests; cooperated devices; oil and gas; railroad safety; control of government; general license powers; and general powers relating to abatement of nuisances.

Public works, buildings and property—eminent domain and public works; public buildings; parking facilities; trees and forestry; procurement of industrial buildings; lease, sale and transfer of public property; streets and public ways; recreational facilities; airports; harbors and watercourses; public land dedications; exhibitions on public property; bridges, viaducts, tunnels and ferries; drains, culverts, cesspools and sewers; flood control and drainage; monuments and memorials; municipal utilities; heat, power and light services; transportation systems; harbors and terminals; and water supply and sewage systems.

**Laws, Penalties**

The code defines a municipality as including cities, villages and incorporated towns, and says corporate authorities refer to the code are, in the case of a village, the president and board of trustees.

It relates that "the corporate authorities of each municipality may pass and enforce such laws, make all rules and regulations proper or necessary, to carry into effect the powers granted to municipalities, with such fines or penalties as may be deemed proper."

No fine or penalty, however, except civil penalties provided for failure to make returns or to answer and be tried by the municipality, shall exceed \$200 and no imprisonment shall exceed six months for one offense.

**Patterson Indicted For Manslaughter**

Donald K. Patterson, 22, of 2228 Fifth street, Madison, was indicted for voluntary manslaughter Tuesday. His indictment was returned by the grand jury to Circuit Judge Joseph J. Barr.

Patterson surrendered to authorities at Mountain Grove, Mo., the day after the fatal shooting Oct. 15 of Cleo Lemons, 38, of 2010 Fifth street, Madison, outside Lesko's tavern, 608 Cambridge avenue.

Favorable reports were presented on inspections of the county nursing home, the tuberculosis sanatorium and the county jail.

The possibility of a deficiency in fire protection was pointed out. The staff was complimented for its operation of the establishment but attention was brought to the fact that few personnel are on duty during the afternoon and midnight shifts and considerable assistance would be required to evacuate bedfast or wheel chair patients in the event of fire.

Conditions were described as excellent at the county jail and the sanatorium. No recommendations were made for improvements to either.

**Boys' Wrestling Program Registration Saturday**

Boys from the age of seven through high school who reside in the Granite City park district may register for a program of wrestling instruction beginning at 10 a.m. Saturday in the park district community center at 822 Niedringhaus avenue.

Wrestling classes will be held each Saturday morning under the supervision of Walt Whitcomb. Competitive members of YMCA teams in the area are planned later during the program.

## New C. Of C. President Stresses 'Balanced Community'

A community-wide development program for the Quad Cities area during 1963 was outlined Tuesday evening by Chester L. Baker, newly-installed president of the Tri-Cities Chamber of Commerce.

In his inaugural address, Baker, who previously served two terms as C. of C. vice-president, said the C. of C. also is ready to launch an all-out industrial development project for expansion of existing industries and to attract new industries to the area.

"Our goal for the year," he said, "is for a balanced community with proper industrial development, commerce development, top educational institutions and a good community attitude—civic pride."

**Progress to Watchword**  
He said the C. of C. is actively engaged in all of these programs and that progress is to be the watchword for the coming year.

"Most of the projects are tied together," Baker noted. "Community zoning and planning is a part of the chamber's program for the year, as is the advancement and development of the Southern Illinois University southwestern campus, which hinges on zoning."

**Former Press-Record Employee Found Dead**  
Oscar H. Cordes, 70, a former Press-Record printer, was found dead about 10 p.m. yesterday at his home at 5638 Levelette, Country Club Hills in St. Louis county. He had been ill with a heart condition.

Funeral arrangements are pending at a Ferguson funeral home, with rites to be conducted at the Corpus Christi Catholic Church in Jennings.

Mr. Cordes is survived by a daughter, Mrs. Clemens (Dorothy) Vondera of St. Louis county, and two grandsons, Mr. C. B. Vondera is a printer for the Press-Record.

Mr. Cordes retired from the Press-Record about six years ago. He was a 50-year member in the typographical union.

"We'll continue our efforts toward adequate waste and pollution abatement, which are basic needs. And, we'll continue to work toward the development of Horseshoe Lake as a state park to provide recreational facilities for the area."

**New Program Building**  
The new C. of C. president, who is head of Tri-City Printing Co., said an added feature of the year will be program building. A series of meetings of members will be held. Through this we hope they will tell us what the Chamber of Commerce should get into to help the area's businesses and the communities.

He added that committees will remain active to keep Quad-Cities informed of affairs at local, state and national levels.

"This will be carried out on a day-to-day basis," Baker said. "We have the accomplishments of the Congressional Action and other committees and the courses on Practical Politics."

**Review of Past Year**  
A review of the organization's work during the past year was given by retiring president Paul H. Lichtenberger, who served two one-year terms. He said the C. of C. ended the year with a small balance of funds. "We added one member

to our office staff and purchased new office equipment and furniture."

"On the community side, Lichtenberger pointed to progress made by the C. of C. committees. The riverfront Federal Aid Route 151 is rapidly becoming a reality and Interstate Route 270 is progressing."

"An important step was the completion of the industrial development 119-page brochure and map. We're ready to go to work now to further industrial development in this area."

**Active Committees**  
Lichtenberger also reviewed the work of other C. of C. committees. "We had hoped to secure a federal pollution study laboratory for the area, but we understand our area now is not being considered. Gov. Kerner had made a previous commitment."

The retiring president introduced members of the C. of C. office staff: Harlan Dobay, executive manager; and Mrs. Bonnie Sullivan, Miss Gloria Blesed and Mrs. Irene Love. N. R. Brink, manager of the local A. O. Smith Corp. plant, was named chairman and installing officer for the new board members and officers. A French musical program was presented

by the Madison high school senior choir, directed by Mrs. Valerie Stevens. The guest speaker, Dr. Delye W. Morris, president of Southern Illinois University, was introduced by Harold R. Fischer, an SU trustee.

**Installation Ceremony**  
Installed by Brink were Baker as president; M. Freeman Wolfe and Carl E. Mathias, vice presidents, and Irby V. Todd, treasurer. He also installed the new directors—Ted Berger, Lewis R. Causey, Russell O. Crecelius, Harold R. Fischer, Henry R. Gabriel, B. E. Hohlt, Dr. John E. Lee, Carl E. Mathias, George Maize, Sam L. Meyer, John McBride, Randall Robertson, Stanley O. Schermer and Robert T. Wagner.

Special guests for the evening were Mayor Mearns of Madison, Eighth Ward Alderman and Mrs. Frank Vesel, representing Mayor Davis, and the wives of the new board members, officers and the speaker.

The invocation was given by Rev. John Barrett of Sacred Heart Church, and the invocation by Rev. Robert D. Beatty of the First Church of the Nazarene. Organ dinner music was provided by W. L. "Jack" Johnson.

**Contract Approved For 450 Workers At Union Starch**

A new contract, granting a 10-cent across-the-board hourly increase to about 450 workers, was agreed upon yesterday at the Union Starch & Refining Co. plant here. The increase is retroactive to July 15.

The contract has been in negotiations for almost a year to replace one which expired last Dec. 31. Its duration is to be determined.

In a joint statement, spokesmen for the union, the Oil, Chemical & Atomic Workers Local 7463, and company said the new hourly rates range from \$2.30 to \$2.82 and other contract changes were made.

The union voted its approval of the company offer on Tuesday and the final agreement was reached yesterday.

"An important step was the completion of the industrial development 119-page brochure and map. We're ready to go to work now to further industrial development in this area."

**Active Committees**  
Lichtenberger also reviewed the work of other C. of C. committees. "We had hoped to secure a federal pollution study laboratory for the area, but we understand our area now is not being considered. Gov. Kerner had made a previous commitment."

The retiring president introduced members of the C. of C. office staff: Harlan Dobay, executive manager; and Mrs. Bonnie Sullivan, Miss Gloria Blesed and Mrs. Irene Love. N. R. Brink, manager of the local A. O. Smith Corp. plant, was named chairman and installing officer for the new board members and officers. A French musical program was presented

by the Madison high school senior choir, directed by Mrs. Valerie Stevens. The guest speaker, Dr. Delye W. Morris, president of Southern Illinois University, was introduced by Harold R. Fischer, an SU trustee.

**Installation Ceremony**  
Installed by Brink were Baker as president; M. Freeman Wolfe and Carl E. Mathias, vice presidents, and Irby V. Todd, treasurer. He also installed the new directors—Ted Berger, Lewis R. Causey, Russell O. Crecelius, Harold R. Fischer, Henry R. Gabriel, B. E. Hohlt, Dr. John E. Lee, Carl E. Mathias, George Maize, Sam L. Meyer, John McBride, Randall Robertson, Stanley O. Schermer and Robert T. Wagner.

Special guests for the evening were Mayor Mearns of Madison, Eighth Ward Alderman and Mrs. Frank Vesel, representing Mayor Davis, and the wives of the new board members, officers and the speaker.

The invocation was given by Rev. John Barrett of Sacred Heart Church, and the invocation by Rev. Robert D. Beatty of the First Church of the Nazarene. Organ dinner music was provided by W. L. "Jack" Johnson.

**Contract Approved For 450 Workers At Union Starch**

A new contract, granting a 10-cent across-the-board hourly increase to about 450 workers, was agreed upon yesterday at the Union Starch & Refining Co. plant here. The increase is retroactive to July 15.

The contract has been in negotiations for almost a year to replace one which expired last Dec. 31. Its duration is to be determined.

In a joint statement, spokesmen for the union, the Oil, Chemical & Atomic Workers Local 7463, and company said the new hourly rates range from \$2.30 to \$2.82 and other contract changes were made.

The union voted its approval of the company offer on Tuesday and the final agreement was reached yesterday.

## Miss Carolyn McRaven Chosen GCHS '62 Harvest Queen

A blonde senior with a bright smile, Miss Carolyn McRaven, was crowned Harvest Queen for 1962 at Granite City high school. The coronation took place after the Homecoming play performance last night and will be repeated this evening.

Setting for the coronation was oriental in design by the school art department with a gold and white tent covering the throne. A raised, carpeted platform was provided for the attendants.

Miss Carol Grizzard, first attendant, and Miss Sandra Johnson, second attendant.

A white-tented throne opposite the new queen was provided for the retiring 1961 May Queen, Miss Teresa Griffith.

**Identity Kept Secret**  
Identity of the queen and attendants was a closely guarded secret, and was not announced until the play was nearing its close.

The senior girls and boys were waiting in Room 213 for the announcement, which was signaled by Principal Lawrence McCaulley and made by Miss Grace Sewing. She first named the attendants and then the queen.

Miss McRaven, daughter of Mr. and Mrs. Thomas H. McRaven, 2581 Iowa street, was presented then with her cape and bouquet.

Miss Grizzard is the daughter of Mr. and Mrs. W. J. Grizzard, 3235 Edgewood drive; and Miss Johnson is the daughter of Eighth Ward Alderman and Mrs. Ford Johnson, 2501 Lynch avenue.

When the final curtain was drawn on the play, scenery was quickly removed for the coronation.

**Store Manager Observes Four Anniversaries**

Edw. Stone, manager of the local A&P food store at 2016 Madison avenue, celebrates four anniversaries this week: his 25th wedding anniversary and three others in connection with the food store chain.

Stone and wife, Dorothy, are observing their 25th wedding anniversary, his 25th year with the Atlantic & Pacific Tea Co., completion of the local outlet's third year of operation and the 103rd anniversary of the founding of A&P.

**Bi-State Receives Bids On Local Dock Project**

An apparent low bid of \$339,680 was received today by the Bi-State Development Agency for work on the Chain-of-Rocks Canal harbor and dock expansion. The bid was submitted by the Bauman Bros. Construction Co.

Col. R. E. Smyser Jr., Bi-State executive director, said the bid was one of four received. A complete analysis of the bids will be made before a contract is awarded, he said.

**Madison Fire Calls**  
Madison firemen answered two calls early this week, going to the residence-office of Harry Thebeau, 1511 Fifth street, where an electric short-circuit had caused a gas clothes dryer to overheat at 5:25 p.m. Monday; and the home of Jo Hulsey, 1518a Twelfth street, where a short-circuit had caused a television transformer to burn out at 7 p.m. Tuesday.

GCHS HARVEST QUEEN AND ATTENDANTS, whose identity was disclosed following last night's opening performance of the annual Homecoming play. The queen is Miss Carolyn McRaven (center). On the left is Miss Carol Grizzard, first attendant, and on the right, Miss Sandra Johnson, second attendant.

Mr. and Mrs. Richard Copeland, and Gene Hoelter, son of Mr. and Mrs. Fordyce Bolin, 3720 Ruth drive, for the retiring queen. Mrs. Harold Love, 2721 Myrtle avenue, for the first attendant; Kelly Grimm, son of Mr. and Mrs. George Grimm, 2912 Iowa street, for the second attendant.

Bids were opened at 10 a.m. today in the Bi-State office in St. Louis. The bid opening had been set for Monday, but was re-scheduled due to an error in an engineering computation in the plans and specifications.

The Bi-State board of directors is meeting this afternoon, with a reorganization expected to lead the agenda.

**Two Autos Stolen Here Recovered By Police**

Two autos stolen in Granite City were recovered by police this week. Another auto was reported stolen.

A 1959 model stolen from Moody's used car lot in the 1500 block of Madison avenue last week was recovered in St. Louis. Two local men are being held in St. Clair county. One of them admitted taking the vehicle and using it in an armed robbery at Carlyle and a burglary near St. Louis. Chief Detectives James Lowder and St. Louis police located the auto where it had been abandoned in St. Louis.

Also recovered was a 1961 model auto stolen last weekend from Granite City Supply Co., 20th street at the railroad tracks. It was recovered by police near the Chain of Rocks canal bridge.

Missing Wednesday from the Tri-City Motors used car lot at 21st street and Madison avenue was a 1957 model four-door gray and white hardtop.

**GC Steel Employee Killed In Auto Crash**

Traffic crash injuries were fatal Tuesday evening to Carl A. Lindner, 56, a Granite City Steel Co. employee who lives in Mascoutah. He was pronounced dead at the scene on State Route 15, three miles east of Mascoutah.

Mr. Lindner, an employee in the yard maintenance department for 11 years, has a son, Anthony, of Mascoutah who is employed in the same department.

Mr. Lindner also is survived by a brother, Arthur of Granite City; his wife, Mary, a daughter, three other brothers and two grandchildren.

The accident was reported by state troopers as a head-on crash in which two occupants of the other auto were hurt.

Funeral services will be held tomorrow morning at a Mascoutah funeral home, with burial to take place at Holy Childhood Cemetery there.

**Home Entered, Waller Taken Off Refrigerator**

A burglar entered the home of Mrs. Dorothy Walker, 2111a Benton street, Tuesday night and stole a wallet from the top of her refrigerator. Mrs. Walker was visiting neighbors across the hall at the time.

The wallet was later found outside. Missing was \$8 in cash. Personal papers were either torn or damaged, police said.

## 'B' Blast Furnace Being Lighted To Replace 'A'

Granite City Steel Co. is in the long process of "blowing in" its newer, "B" blast furnace in order that the smaller "A" furnace may be relined.

The process was started this week and will result in extra workers during the double blast furnace operation. The "A" furnace has not been relined since 1956. The first usable iron from "B" furnace is expected about Nov. 5.

The larger "B" furnace has average daily production of 1800 tons of pig iron for the steel mill's open hearth department. It will be several weeks before full production is obtained, a company spokesman said.

"Not a trace of shabbiness can be found anywhere on the car"

says Road & Track magazine.

The people at Road & Track get to drive some pretty exotic cars. So when they come out and say that "the Volkswagen's finish is unbelievable," we take it as quite a compliment. Mind you, they didn't say, "At the price." Just "unbelievable." Period. Frankly, the Volkswagen people are not surprised. After 15 years of improving and refining their one basic model, the surprise would be if it weren't as good as it is. Volkswagen parts fit each other so well.

the car is practically airtight. If you stripped a VW to the skin, you'd find it completely painted, inside and out. (And not with one coat or two. Four.) Volkswagen puts as much effort into the glove compartment door as the front door. They run in every engine before it's installed, they check every windshield. Road & Track wound up by saying, "Overall, the VW is so good, it leaves us a bit short of anything to say."

## Venice Council Plans Halloween Program

At a meeting of the Venice high school student council this morning, plans were made for the annual Halloween parade and frolic Wednesday evening. The event is co-sponsored by the council and Milton Morris, Venice businessman.

Morris sponsored the first such party 16 years ago. The initial program was held on the lawn of his home near the school. Since that time it has been extended to the school athletic field, and attendance has grown to more than 600 persons.

This year's Halloween parade will form at 6:30 p.m. at Second and Hampton streets and proceed to Granville, then down Third street to Broadway and on to the school. Judging will be done there, with about 35 awards to be given.

A winner toast will follow, and there will be other refreshments. An invitation has been extended to all Venice grade and high school students and those under school age. Entertainment will be provided, with a "chamber of horrors" as the chief attraction.

# YOUTH FOCUS

## GCHS Homecoming Underway This Week; To Be Climaxed By Events Friday Night

All events at Granite City high school this week are leading up to a climaxing "Safari" at 8 p.m. Friday. At that time, the Warriors collide with the Edwardsville Tigers on the GCHS gridiron in the annual Homecoming football game.

GCHS students, team members and cheer leaders led a parade downtown Tuesday night with the "Around the World" Homecoming theme prominently displayed. The Chi Delta Chi Tri

Club's "Warrior Safari" entry captured first prize in the parade float competition. The winning entry featured a "Tiger" in a cage, with "Warriors" dancing around. Grass, palm trees and flowers completed the scene to give the unit an evening of "horrors".

Second prize went to the cheerleaders, with the Spanish

Club receiving the third place award. Christine Pashoff received honorable mention. Twenty-seven units were entered in the Homecoming parade.

Chi Delta Chi girls working on the winning float were Cheryl Pindell, Carol Wetzel, Charlene Landis, Judy Ramsey, Sharon Willard, Karen Ridge, Barbara Charbonier, Vicki Ritchie, Beth Wood and Pat Kadane.

The unit was driven by Dave Partney, and the decorations were made by the club's advisors, Miss Fran Lisak and Miss Judy Buchler.

Tuesday night's activities also included the pre-game pep rally on the football field. The school band under the direction of Louis Meek provided music for an evening. The pep rally was led by the cheerleaders.

In connection with the Homecoming play, was staged last night. Following the play, the coronation of the 1962 "Harvest Queen" was held before a packed school auditorium audience. Further information on the coronation is given elsewhere in this issue.

The annual Homecoming dance, billed this year as "The Globetrotters' Ball," will follow the football game.

Students honored were Janet Love, Bernice Unger, Joie Eversden, Cheryl Orshead, Ann Dunn, Marie Signall, Gisela Kunschek, Willie Bek, Arlette Alexander, Bill Liernman, Dave Casson and Brundhilde Hoffman.

FIREMEN'S PROTECTIVE HELMET is examined by Virginia Koelker, second from right, secretary-treasurer of the Venice high school student council. Officials meet in front of equipment displayed at the recent fire prevention program at the school. Council President Jim Kutz is at right. Others are, from the left, Venice Fire Chief Michael Leatherman, Thomas Scaturro, fireman; Marvin Tedder, state deputy fire marshal; Lawrence Burns, assistant Army Depot fire chief; and Curtis Donley, assistant chief of the Granite City fire department.

## Bomb Scare Delays VHS Fire Prevention Program

By MICHAEL LOPEZ

One unfortunate happened on another outstanding fire prevention program at Venice high school—a prankster reported to police that a bomb had been planted in the building and the program was delayed for an hour.

The Venice police department received a call about 12:30 p.m. that a time bomb would go off in the school in about 20 minutes. Fire Chief Michael Leatherman Jr. directed an immediate evacuation of the building, after which a thorough search was made. When it was determined the building was safe for re-entry, the program began in the school gymnasium.

An estimated 750 students from Venice high school, Venice grade school and St. Mark's school attended, along with faculty members and a number of parents. Principal Lewis Sahm introduced the program, which was sponsored by the student council with the cooperation of the Venice fire department.

Chief Leatherman expressed the fire department's thanks to Jim Kutz, student council president. Kutz introduced other members of the council. Council members had produced and distributed programs and question baskets to stimulate interest in the fire prevention activities.

Assistant Chief Curtis Donley of the Granite City fire department gave a demonstration of possible results of faulty wiring in the home. Marvin L. Tedder, an Illinois state deputy fire marshal, discussed fire prevention and the results of carelessness.

Chief Leatherman served as moderator for a panel consisting of Donley, Tedder, Assistant Chief Lawrence Burns of the Granite City Army Depot and Venice Fire Marshal Henry T. Devany. The panel answered questions entered by the student body on question slips distributed by the student council.

To conclude the program, Assistant Chief Donley presented Kutz with a "Junior Fire Marshal" badge.

**SOPHOMORE CLASS MEMBERS** at VHS currently are focusing their attention on preparation of the annual Sophomore Freshman party to be held Nov. 2, according to Marilyn Gonterman, class president.

Theme for the evening will be "Venice Band Stand." Class members will pick their own D's from among their classmates, as well as new singing sensations and musical masters.

## Business Students Tour Local Bank

Members of the Venice high school general business classes journeyed to the First National Bank Monday.

The students were accompanied by their instructor, Mrs. Barbara Williams.

Students on the tour were Don Agors, Dorothy Besserman, Margaret Boushark, Mike Britt, Diann Clayton, Don Coggins, Larry Cruder, Bob Campbell, Norma Crump, Gary Ebersold, Marilyn Gonterman, Dale Griffin, Donna Nash and Virginia Pace.

## Madison Chorus To Entertain Venice Students

By DIANA FOX

A vocal music program entitled "Oh La La" and themed to a trip to Paris will be presented by the Madison high school chorus Monday afternoon before students of Venice high school.

The program will feature solos by Linda Krnan, Sandy Williams, Elaine Russell, Cindy Zahm and Donna Dowthitt. Gloria Browning and Jackie Mosley will serve as announcers.

Choral students, under the direction of Mrs. Valerie Stevens, provided entertainment at the Chi-Delta Chi Chamber of Commerce dinner meeting Tuesday evening at the Venice-Madison American Legion.

**THE JUNIOR RED CROSS**, under the direction of Miss Follmer, held a meeting Oct. 18 to discuss projects for the months of November and December.

The president, Mary Lee Svezia, asked for volunteers for each project. Projects planned include food for Thanksgiving baskets; toys for orphans and a clothing drive for needy families.

Other officers of the organization are Katie Yates, vice-president, and Polly Wood, secretary-treasurer.

**MADISON STUDENTS** have been invited to attend the presentation of the Symphony Orchestra at Wood River high school Monday, starting at 8 p.m. The Symphony Orchestra, under the direction of Bernard Goodman, is presented by the University of Illinois School of Music and Division of University Production. The admission price is 50 cents.

## No Funds Available For Proposed Levee Sewer

The East Side Levee & Sanitary District today issued a call for bids on a portion of its overall pollution abatement project for which the district has no funds available.

The project is for the construction of a sanitary trunk sewer line extension along Levee line in Cahokia which would enable Cahokia to build and attach lateral lines to the trunk line, which would then lead to a proposed sewage treatment plant near Cahokia.

However, the trunk line construction is among a number of projects proposed under a \$3.4 million bond issue which is still pending after being tabled by levee district trustees several months ago.

"The project is not in any bond issue at present," levee district Engineer A. L. Kraemer told the Press-Record today. "But we're still advertising for bids, and there will be no contracts awarded when the bids are opened on Dec. 10."

Kraemer said a contract award would be made only after the levee trustees had agreed through with the bond issue, which will be used to finance sewage treatment plants in Venice and Madison as well as the Cahokia area.

Both Granite City and East St. Louis pulled out of the levee district's overall plan of abatement in favor of constructing their own abatement systems. Bids on the Cahokia trunk line will be accepted at the levee district offices until 7:30 p.m. Dec. 10. The proposed construction includes installation of a factory-built pumping station.

## Glen Etheridge Dies

### A. O. Smith Employee

Glen Etheridge, 50, of East Alton, an employee of the A.O. Smith Corp., died at 8:30 a.m. yesterday at the Wood River township hospital. He had been a patient there since Sept. 13. He is survived by his wife, Bernice.

Funeral arrangements are pending at a Mt. Vernon funeral home.

## \$410 Holdup At Tavern On Chouteau Slough

Mrs. Ludie Shastid, proprietor of the Irish Inn, 1315 Chouteau Slough road, was robbed of about \$410 and six bottles of liquor late Monday night by two men who knocked at her back door. She told investigating sheriff's deputies she heard a knock on the kitchen door about 11:15 p.m. She answered, thinking it was a neighbor. Two men were standing in the dark. They spun her around and pushed her object she thought to be a gun in her back.

"They told me to keep quiet then they pushed me into the bedroom and started to throw things around," she said. After ransacking the bedroom, they pushed her into the bar. There were no customers present.

The two men took money from the bedroom and from the cash register. Mrs. Shastid said they fled through the rear door and drove off in a "noisy auto."

## United Fund Topic Of Madison Rotary Club

The story of the United Fund was traced in color slides and a recorded narration presented at yesterday's Madison Rotary luncheon by John Solenberger, UF executive director. He was introduced by President Alex Schenck.

The club approved a joint meeting with Granite City Rotary and Madison Rotary at the Rotary International convention in St. Louis next June. A certificate was received designating the club as a "200% participant" in the Rotary Foundation.

## CLAUDE PICKS:

"Who'll win at Alton Friday?" That question was being asked frequently around these parts this week as Belleville and Alton readied themselves for a game which could decide the Southwestern conference football title.

Claude the Computer was one of those whom the question was aimed at, and after an all-night computation which left the Press-Record office floor littered with computer tape, the "think machine" predicted a Belleville victory by a surprisingly large margin.

If Claude misfires, it won't be the first time. Last week he picked only six of nine winners as Madison (happily), Marquette and Bethalto each won after Claude said they would not.

The Trojans scored previously by outscoring in conference play. The Trojans scored previously by outscoring in conference play.

Locally this week, Claude sees Granite City dropping its fifth straight despite a homecoming atmosphere and a Madison sneaking past Highland. The picks:

## FRIDAY

Edwardsville 20, Granite City 6—Madison 19, Highland 13—Belleville 25, Alton 14—East St. Louis 26, Assumption 6—Columbia 27, Wood River 7—Cahokia 27, Roxana 27—Channahon 11, Belleville Cathedral 7.

## SATURDAY

Dupo 7, Bethalto 6—Country Day 26, Western Military 13—Marquette 14, Valle 6.

MACSON RECORD: 54 of 69 winners selected for 78.2%. Best bet: Head over Heels.

## Falstaff-Schlitz, Shop City-Madison Matches On SIBA Schedule

Cahokia Bowl will host Saturday's session of the Southwestern BPA Classic league with the eight teams scheduled to take the lanes at 7:30 p.m.

League-leader Fallstaff Bowl (144) of Collinsville will roll the hot team (7-11), while Seaboard (13-5) in Paducah, Ky., is third-place ranking on the Cahokia City's Bowland Schlitz (8-10).

Millard Bowl (9-9) meets of Centerville's Touchette lanes, and Shop City Bowl (11-7) puts its third-place ranking on the line against last-place Madison Bowl (3-15).

Fairmont has a one-game lead over the Falstaffs, while Bowland Schlitz has fallen to fifth place.

The Alton Falstaffs, defending league champions, continue to top other teams in the average department with a .961 mark. Fairmont Bowl is hitting at a .982 clip, Bowland Schlitz at .937 and Madison Bowl at .916.

## Madison and Highland, Both With Depleted Lineups, Clash On Friday

Highland's Bulldogs and Madison's Trojans, one club racked with injuries and the other depleted by the loss of several starters who have become classroom casualties, will meet in Madison tomorrow night in a game which could decide second place in the Midwestern football conference.

Madison is the defending MVC champion, but neither of tomorrow night's opponents is in the running for the title this season.

Cahokia apparently has that spot sewed up, and a Comanche win over second-place Roxana Friday night would leave Madison past the shells into the runner-up slot—provided the Trojans can measure Highland.

Roxana is 3-4-0 in conference play, Madison 2-1-1 and Highland 1-3-0. Cahokia has not been beaten in four MVC games, and its date with Roxana is the last MVC game listed for Coach Pete Truman's club.

Roxana could share the title by winning at Cahokia, which seems unlikely. Madison tripped the Shells last week, 13-6.

Madison's defense is the key to its success. The Trojans have lost three straight games, and the Bulldogs are looking for a win.

## SIU Building

(Continued from Page 1.)

There is something wrong with the leadership of both the SIU and the local campus. He said the faculty will be composed of highly trained individuals, each of whom can contribute much to his community.

An area university also will add significant advantages in assisting local school systems. Dr. Morris said, "We said the community will benefit from the addition of faculty members trained in fine arts, literature and the sciences."

### Strength From Community

"There is a kind of osmosis which takes place between a university and the area about it," he said. "To the degree the university interests itself in the affairs of the surrounding community and interests its faculty members in looking beyond the classroom into the community, to that degree it can draw from the community strength and feed back to it a different kind of strength."

Dr. Morris called on local residents to help the university in its work to establish the new campus. He noted that the state legislature provided \$25-million for the project, at the same time

granting \$50-million for a new University of Illinois campus in Chicago.

"We're \$25 million behind," Dr. Morris said. "We hope the people of this area will see that the state legislature fills in the difference and we go forward in these two programs in parallel."

### Will Work With Industry

Dr. Morris said the Southeastern Campus will work closely with area industry. "Where you have a complex of industry, large and small, heavy and delicate," he said, "and have in juxtaposition a university with personnel in the kind of training needed, it would be a blind and stupid relationship not to have such union."

Industry and government are competing for and drawing more and more from college trained men, the SIU president noted. He said new knowledge developed by research is the tool of industrial advancement.

Between Southern Illinois University and the surrounding community will develop a close interrelationship of "brains of the land," Dr. Morris concluded. "And out of this meeting can be sparked a new kind of atmosphere."

"It will not happen tomorrow. Give us two years, four years, five years, and there will be ahead of us a new, better kind of day than that which has gone on before."

### Madison Girl Treated

Laurie Sanders, 9-month-old daughter of Mr. and Mrs. Tommy Sanders of 2203 Collinsville avenue, Madison, was treated at St. Elizabeth Hospital yesterday for injuries received when she was riding in an auto driven by her mother. Fourteen screws were required to close a laceration on her left hand.

A 50% increase and Glick's department store for a 10% increase from 100% of its employees.

### Adjusted Figure

It was announced that by noon Monday the pledges and contributions had reached \$201,587 or 67.4% of the campaign goal. A corrected figure was later released by the United Fund office with an explanation that a duplication had crept into the figure first announced.

The corrected figure for Monday was \$195,288 or 65.3% of the campaign goal.

The breakdown of the task force and flotilla results as of Monday was as follows:  
INDUSTRIAL--Manufacturing Firms and Employees \$138,915 or 74%; Utilities \$62,222 or 31.6%; Building Trades \$20,915 or 10.7%; Transportation \$800 or 0.4%; Outside Area Firms \$45 or 0.2%; Labor Groups not report. Total \$188,007 or 69.9% of goal.

COMMERCIAL--\$10,067 or 30% of goal.  
PUBLIC EMPLOYEES--Granite City Schools \$339 or 60%; Granite City Post Office \$30 or 100%; Granite City Army Depot \$838 or 18.7%; Granite City Housing Authority not report; State & Agency Employees \$121 or 100%; Granite City Park District not report. Total \$908 or 47.3% of goal.

MUNICIPAL UNITS--Granite City employees \$1182 or 89.9%; Madison \$1605 or 22.2%; St. Elizabeth Hospital \$247 or 59.9%; Other Professions \$877 or 70.4%. Total \$4686 or 63.3% of goal.

SPECIAL GIFTS & CLUBS--Special Gifts \$1028 or 51.3%; Clubs \$80 or 18% of goal.

### Driving License Charge

L. Q. Pearson, 34, St. Louis, was arrested by Madison police at 12:30 p.m. Tuesday for driving without a license. Released on cash bail, he is to appear for a hearing Saturday.

# 2 Verdicts Returned; Jury Setting Continues

A city court jury found in favor of the plaintiffs, the Granite City Steel Erectors Federation, in a lawsuit returned at 11:25 a.m. Tuesday.

The jury assessed a judgment of \$1977 against the defendants, Granite City Lumber Co., the amount sought by the plaintiffs which represented the value of the lumber stolen from the credit union, stolen from a GC Steel Co. employee and found later in a junkyard wrecked.

The insurance company had denied the claim, holding that its theft policy was void when the auto was stolen on Aug. 10, 1958 since the owner had not complied with the full terms of the policy.

In the only other case where a city court jury rendered a verdict since its two-week setting began on Monday, both defendants were found guilty at 5:50 p.m. Tuesday, in a lawsuit growing out of an auto accident involving a Granite City on Feb. 13, 1961.

The suit had been filed by Robert Lahey for Lahey Furniture, and asked \$622 and trial costs for damages to a 1957 Buick Wildcat involved in an accident with an auto operated by Austin Carter at 20th street and Madison.

Carter, the defendant, filed a counter claim for \$390 and court costs for damages done to his auto in the collision. The jury did not assess damages either defendant.

Judge Fred P. Schuman is presiding as the jury setting continues with testimony in a lawsuit involving a pedestrian struck by a car. Plaintiff is Elaine Rengn, and the defendant Grayell A. Slusher.

# SLRB Petitioned For Steel Employees Vote

A petition has been filed with the National Labor Relations Board asking for election among salaried office and technical employees at the Granite City Steel Co. to determine whether they want union representation.

The Press-Record learned yesterday that about 25 workers at the firm would be affected. Although the steel company employs about 1000 such workers, most are in supervisory or other positions which would eliminate them from consideration.

Lloyd McBride, sub-director of the United Steelworkers declined comment on the situation. The Steelworkers placed a large advertisement in Monday's issue of the Press-Record stating that it solicits membership of the salaried workers.

"It has been said that United Steelworkers will support other unions in their attempt to organize and bargain in behalf of steel industry office and technical employees," the advertisement said. "This is not true."

A spokesman for the steel company said so far as he knew there has been little organizing activity among the salaried workers. "There has not been an election," he said, "and we don't know if there will be one."

# Burglary Last Night At GC Restaurant

The Wagon Wheel cafe, 3034 Edwardsville road, was burglarized during the night. It was reported to police about 7:10 a.m. today that a cigarette machine was forced open and an unknown amount of change taken. The pay telephone also was stolen and a few cigars are missing.

An attempt was made to open the juke box and a soda dispensing machine.

Police found pry marks on the front door but the means by which it was opened is not established. The telephone was recovered at 7:40 a.m. on the parking lot of a Fourth street bar in Madison.

# Venice Police To Give Halloween Ball

A Halloween costume ball will be held at the Venice-Madison American Legion home Saturday from 9 p.m. to 1 a.m., sponsored by the Venice Police Club. Music will be provided by an orchestra. A "grand march" is scheduled for 9:30 p.m. Prizes will be awarded for best costumes.

Proceeds will be used for purchase of police equipment and to supplement the police welfare fund.

Tickets are on sale by all members of the Venice police department or may be purchased at the door.

# Auto Enthusiast 'Borrows' Foreign Car For Spin

A person with a taste to drive a new foreign auto apparently couldn't resist trying one out Tuesday night when he found it parked in front of the home of Larry Green, 2222 State street.

Green told police he left his auto in front of the house. When he got up the next morning it was parked across the street. The ignition wires had been moved.

Neighbor reported hearing the auto drive off about 8 p.m. and return about 8:30 p.m.

# Case Of Soda Stolen

Theft of a case of soda from the garage of Mrs. Anna Nagy, 3409 Benton street, was discovered Wednesday afternoon. It was taken during the past week.

public hearing in order to permit his district to make a report.

"It is hoped that Granite City and the Illinois Sanitary Water Board can reach a satisfactory agreement so that this problem may be solved at the conference stage of the federal enforcement proceeding."

### No Objections By Mayor

When called upon, Mayor David Vesce explained he had no objections to the testimony given.

Altemar Vesce explained he was heading a committee that was "willingly inclined to solve the problem." Vesce added that the committee would make a report to the city council, but as yet it had no plan.

City Engineer Johnson also spoke briefly, but had no objections.

Morton stressed a health emergency issue and said an early decision could be expected from the Sanitary Water Board. Klassen later ordered a Press-Record staff member that the board's decision probably would be ready in three weeks.

## Bids Total

(Continued from Page 1.)

heating bid, \$21,732 from Triangle Heating Co. is accepted, the base bid total on all categories of work will rise \$2241 to \$218,573.

The grand total also could be altered by action on alternate bids, including at no-bidding at the school district's request.

Schultz listed \$721 to add an electric water heater at Nameoki and \$484 to add one at Mitchell. McEvilly bid \$2821 on making up the difference in the electrical conform to size and insulation requirements for future air-conditioning.

Draft bid \$40 on including wiring necessary for an extra kindergarten unit ventilator, which would be needed for future air-conditioning, and listed a \$950 reduction in fluorescent lighting.

The board waived late submission of bids from Triangle Heating Co. at 4:30 p.m. Tuesday, and two sealed envelopes from the firm were accepted at 8:30 a.m. Wednesday.

Board members then voted to notify all future bidders that they will be no exceptions to the deadlines specified.

### Complete Working Agreements

The board gave tentative approval to the last two sections of a list of working agreements relating to teachers, and agreed to meet informally with the Teachers' Local 243 salary and policy committee next Tuesday evening.

Salary requests are to be submitted at that time.

Board members said it is their understanding that no direct negotiations are to take place at the informal meeting and Mrs. Helen Bjorkman, committee chairman, agreed, commenting that there will just be "questions and answers."

An hour-long executive session was held by the board Tuesday night to refresh board members' information on the financial condition of the school system.

Supt. Harold M. Kaiser noted that some of the estimates used in financial discussions last spring have been converted to exact figures following the start of the fall semester.

# County Requiring Faster Handling Of JP Reports

Withholding of a file is being started by county officials to encourage faster filing of monthly reports by justices of the peace, it was learned yesterday. Further steps are to be taken if necessary.

The county also is instituting a new procedure requiring submission of times and costs simultaneously with the reports.

State law specifies that all collections for a month are to be turned in to the county by the tenth day of the following month. A written report then is due five days later, on the fifteenth.

Past Procedure  
Past procedure in Madison county has been to request the report first, with no funds being sent until after the report had been examined and checked for any errors in addition. It was then that the county would forward the money until after their audited report had been returned to them.

The change, instituted by County Auditor John Kraynak after consultation with the Finance and County Officers' committees of the County Board of Supervisors, was from a desire to end long delays in receipts of funds and reports.

While several JPs have been late at various times, the only one not paid his \$250 semi-

# Chokolia Wins Cross-Country Run In MWC

Chokolia high school runners finished 1-3-4 Tuesday afternoon in the annual MWC cross-country meet at the Comanches to a team in the annual running of the Midwest conference cross-country race.

Jim LaCroix of Chokolia finished first in 48:45 over the mile-and-9/10ths course. Jerry Pleewood of Madison was fifth in 10 minutes flat for the Trojans, who were fourth in the final team standings.

Second place went to Jim Easley of Dupo in 9:52, third to Don Luster of Chokolia in 9:58 and fourth to Ken Miller of Chokolia in 9:59. Only 12 seconds separated the first five finishers. The first 12 across the line were:

Team point totals: Chokolia 30, Dupo 30, Roxana 92, Madison 98, Highland 117 and Beetham 139.

# Rams Clinch Tie, 20-0

Mike Wilson scored 13 points last night in a Granite City park district touch football league matchup game at Wilson Park as the Rams defeated the Tigers 20-0 to clinch at least a tie in the first place in the league's 3rd-4th grade division.

# Punt, Pass And Kick Competition Nov. 4

Boys between the ages of eight and 11 are eligible to compete in "punt, pass and kick" football contests which will be held on Sunday afternoon, Nov. 4, at the Granite City high school football field.

The local contests are under the auspices of B. E. Hohl, Inc., local auto dealer, who boys can go to fill out registration forms. They must be accompanied by a parent or guardian.

Competition will be held to select local winners, who will advance to a regional contest and receive football equipment as prizes. Local winners will be determined by the distance and accuracy of their punting, passing and kicking. No contact is involved.

# In Honor of Fredman Bros. Days We Restate Our public price policy

## Repeated for Homemakers Everywhere Who Haven't Heard the Good News!

Why shop yourself silly? You always get the best prices! That's a solemn promise in writing. FREDMAN'S \$1000.00 SAVINGS BOND GUARANTEES you cannot buy for less or we will refund the difference plus 10% of the difference. We can back up this big statement (and we do!) because our comparison shoppers make sure our errors are few and far between. You make money if we make an error! We set the price-pace and all who dare may follow. It's our policy and we're stuck on it!

**\$1000 GUARANTEED SAVINGS BOND**

WE HEREBY PLEDGE ON OUR SIGNATURE THE AGGREGATE SUM OF ONE THOUSAND (\$1,000.00) DOLLARS TO FULFILL THIS FOLLOWING OBLIGATION: THAT EACH AND EVERY ITEM OF MERCHANDISE SOLD BY OUR STORE CANNOT BE PURCHASED ELSEWHERE UNDER THE SAME CONDITIONS OF DELIVERY AND SERVICE FOR LESS, AND IF THE PURCHASER CAN SHOW THIS MERCHANDISE WAS AVAILABLE ELSEWHERE FOR LESS WITHIN 10 DAYS OF PURCHASE, WE WILL REFUND THE DIFFERENCE BETWEEN OUR SELLING PRICE AND THE PRICE FOR WHICH PURCHASER COULD HAVE BOUGHT IT, PLUS 10% OF THAT DIFFERENCE.

 **FREDMAN BROS. FURN. CO., INC.**  
Marvin Fredman

We're only human, and occasionally, we are bound to slip up and find that somewhere, someone has undersold us.

It used to perturb us, but no more! Since we instituted our \$1000.00 GUARANTEE SAVINGS BOND, we have no fear these few human errors will go unseen. As long as sharp-eyed shoppers are around, we have an army to help us win the price-battle.

Note well what the bond says! It assures you, in writing, that we are determined to offer you the lowest prices anywhere, or we will make good the difference PLUS! Nor is anything sacrificed to make this guarantee possible! We still offer you the finest service for your complete satisfaction and the easiest credit terms. So why get only half-value? Get full value, which must include lowest prices!

### Guest Speakers For FWM Society

Mrs. Dama McCurdy of Memphis, Ind., and Mrs. Allen Carver of Louisville, Ky., were guest speakers Monday evening at a meeting of the Faithful Workers Missionary Society of Graceland General Baptist Church, 209 and Russell streets.

The former discussed "Literature and projects for the coming year," while Mrs. Carver's topic was "Prayer."

The meeting opened with a hymn, and the prayer was by Mrs. Betty Warren. Mrs. Elma Chadd gave a spiritual talk. After adjoining refreshments were served to thirteen members and three guests, the speakers and Mrs. Ora Lee Ellidge.

### ATTEND OPEN HOUSE FOR BIRTHDAY

A number of local people were in Glen Carbon this week to attend an open house at the home of Mr. and Mrs. Paul Stomum in honor of the 60th birthday of Mr. Stomum.

Present from Granite City were Mrs. James Robertson and sons, Joey, Jeff and Jason, Mr. and Mrs. Robert Lorenz and daughter, Robin, Mr. and Mrs. Kermit Atkins, Mrs. Pearl Lynn, Mr. and Mrs. Lee Lorenz, Mr. and Mrs. Paul Lynn, Mrs. Helen Halbe, Mrs. Betty Clatts and Mr. and Mrs. James Mount and children, Danny and Pam.

Others attending were Mrs. Ruth King and daughters, Donna and Linda, and Mrs. Helen Hopkins of Glen Carbon, Mr. and Mrs. M. D. Hammack of Edwardsville, and the family of Mr. and Mrs. Stomum, Mr. and Mrs. William Stomum and son, David, Mr. and Mrs. Bob Stomum and children, Mary Kaye, Anna Marie and Bobby, and Joan Hester and children, Paula, Mike, Sue and Denny.

**VISIT RELATIVES**  
Miss Sharon Cruse and her mother, Mrs. Ernest Cruse, 2923 Madison avenue, accompanied by a cousin of the former, Miss Melanie Cruse, Edwardsville, returned Tuesday from a visit of several days with relatives in Illinois and Cape Girardeau. They attended the homecoming over the weekend at Southeast State Teachers College and visited a nearby rose garden.

### Trinity Methodist WSCS Meets

The October meeting of the Woman's Society of Christian Service of Trinity Methodist Church was held Tuesday evening.

Mrs. Mary Lee Herman presided and twenty-one members were present. Mrs. Sarah Metcalf was in charge of the program, assisted by Mrs. Herman and Mrs. Jackie Dillard. It was in keeping with the Week of Prayer and Self Denial being observed by Methodist Churches.

Hostesses were Mrs. Frances Holt and Mrs. J. T. Bryant.

### Halloween Party For Sunbeams

The Sunbeam Band of Calvary Baptist Church met Tuesday afternoon at the church.

Halloween costumes were worn by the children.

After the regular meeting punch and cup cakes were served to thirteen Beginners, eight members of the Primary department, five World Friends and their leaders, Mrs. Ruth Hancock, Mrs. Helena Foster, Mrs. Janice Stanton, Mrs. Emily Hagopian, Mrs. May Williams and Mrs. Bernadine Bryant.

### Judicial Reform Issue Topic At Coolidge PTA

The Coolidge junior high school PTA held a monthly meeting Monday night in the all-purpose room at the school.

Main topic was the state judicial constitutional amendment to be voted on Nov. 6.

The meeting was opened with Alan Nicol presenting the flag. Boy Scouts from Troop 12, sponsored by the Niedringhaus PTA, assisted in the ceremony.

Ralph Frohardt, principal, read PTA prayer, followed by the pledge to the flag led by George Motsergood, by a Scout.

Mrs. Lois Haynes, president, conducted the business meeting and asked for reports from committee chairmen. Announcement was made that Mrs. Haynes and Mrs. Elsie Rodell will attend the district 25 fall conference to be held in Jerseyville, Ill., Nov. 13.

Curis Stover, Boy Scout commissioner, spoke to the members on the Explorer scout program, explaining the goals and benefits.

He also asked for help from any of the men who would be interested in this particular scouting field.

A musical program was given by the freshman mixed chorus under the direction of Mrs. Pauline Frazier.

Numbers chosen for the evening were "Hail To Our School," "Sance Tus" by Schubert, "Battle Hymn of the Republic," with Janice Vizeer and Shelia McCabe as soloists, and "One God," narrated by Les Hall.

The program for the evening was a discussion by two local attorneys on the judicial amendment. William Schooley spoke against the amendment and Burton Bernard spoke in favor of it.

Following the program an election was held to select a second vice-president, and Assistant Principal, Frank Kraus was elected to this office.

Principal Ralph Frohardt announced that false rumors had been circulated as to the number of exits at the school in case of fire. He informed the members there are nine exits at the present time, and there will be 14 exits when the remodeling is completed.

He also reminded those in attendance that open house will be held at the school on Tuesday, Nov. 13.

Mrs. Elsie Rodell, program chairman, announced that Keith Parker, dean of boys, and Mrs. Rosemary McConkey, girls' counselor, will be at the next PTA meeting to speak on the school guidance program.

Refreshments were served in the school cafeteria by the hostesses, Mesdames Wanda and Dorothy Sako.

### Eagles Auxiliary Holds Halloween Party; Plans Sale

A march of Halloween masqueraders was a highlight of the regular meeting of Eagles Auxiliary 1226 Tuesday evening.

Prizes for the best costumes were awarded to Mrs. Juanita Blevins, Mrs. Margie Hall, Mrs. Hazel Pierson and Mrs. Bernice Johannmeier.

Mrs. Florida Batson conducted the business meeting, and plans for a rummage sale Oct. 26 were announced by the chairman, Mrs. Blevins. A contribution was made by the group to the "Chapel of Four Chaplains," an Eagles project.

Plans were announced for a class initiation to be held in December Nov. 11 in honor of Mrs. Rose Manning of Waukegan, state president, with the escorts of the local Auxiliary participating.

Mrs. Mae Amisch was awarded the prize for the evening and refreshments were served to about 30 members. The next meeting will be Nov. 13.

# SOCIETY

Amvets Auxiliary  
Post 51 Halloween  
Party Saturday

Amvets Auxiliary Post 51 met at the headquarters, 3100 Lakeview drive, last night. Mrs. Dorothy Melvov was in charge and plans were made for a public Halloween party Saturday evening. Refreshments will be served and prizes will be awarded. Tickets may be secured at the door. The group also is conducting a sale of fruit cakes which may be secured by contacting Mrs. Nadine Harrison.

Tickets were turned in at the meeting for the project of the month and there will be a turkey shoot at the club Sunday. Homemade chili will be served by the Auxiliary and an invitation is extended to the public to attend.

Another project which the club is financing is the purchase of draperies for the club room. The "white elephant" was awarded to Mrs. Harrison. Others present were Mesdames Melvov, Bertha Macios, Ann Tucker, Mary Hinesline, Charlene Sanders, Betty Greer and Pauline Wickham.

## Victory Mothers Birthday Dinner

Victory Mothers Unit Two met Tuesday evening for a yearly birthday dinner at the Odd Fellows Hall.

A business session followed. Mrs. Mary Eunn presiding. Plans were made to serve at the Army Depot in December.

Prizes were awarded to Mrs. Clara Belle Humphrey and Mrs. Gusta Pendleton, and a auction sale was held. With Mrs. Sadie Peacher as auctioneer.

Others present were Mesdames Edith Rhodes, Kate Alexander, Mae Wetzel, Minnie King, Emma Gobble, Irma Bernat, Alma Davis, Anna Harrison, Dorothy Bert, Imogene Bert, Ina Clements, June Crumley, Vina Shone, Mollie Kahler, Nan Shone, Mabel Greer, Pearl Griffin, Anna Sternberg and guests, Miss Theresa Sternberg, Cindy Melford, Betty Fricke and Mesdames, Joyce Fricke, Betty Roe, Mary Davis and Thelma Dorich.

Tables were decorated in white, centered with garden flowers. All signed birthday cards to be sent to a member, Mrs. Clara Warfield, who is ill at the home of her son, Eldon Warfield.

## Short Stories Program Theme

Each member contributed a short story to the program of "Theta Theta chapter of Beta Sigma Phi sorority last night at a meeting in the home of Miss Ruth Stoyanoff, 1211 Iowa street, Madison. The program on "prose" was conducted by Miss Alice Holshouser.

The best of the stories will be entered in the International Short Story contest. Mrs. DeJores Dertch was in charge during the business hour and a ritual of jewels installation was planned for Nov. 20. The Jaycees breakfast Nov. 4 will serve as the chapter's service project for the month. Ten members are planning to attend. Mrs. Betty Ebling, the highest bidder, was awarded the "traveling bucket," auctioned by the ways and means committee. The prize for the evening went to the chapter sponsor, Mrs. Lucille Harper, and the hostess favor to Mrs. Evelyn Tolliver. A dessert course was served.

## Legion Unit 113 Holds Masquerade

The American Legion Auxiliary of Post 113 held a pot luck and Halloween masquerade party last night with prizes awarded for the best costumes. Games were played after unmasking, and awards were made to Mrs. Ada Dishong, Mrs. Lu-meta Durbin, Mrs. Alma Klaus, Mrs. Edna Branscomb, Mrs. Helen Qualls, Mrs. Loretta Goeller, Mrs. Rose Metro, Mrs. Henrietta Schmidt and Mrs. Dorothy McCain. Mrs. Evelyn McCollegan received the special award.

Mrs. Violet Kassabaum and Mrs. Esther Harris were the hostesses.

## Live Wires Club Plans Style Show

A special meeting of the Live Wires PEBX club was held last night in the home of Mrs. Gwen Coss, 2288 Gary avenue, to further plans for the bazaar and style show to be given Nov. 18 at 2 p.m. at the YMCA. The proceeds from the event will go toward the club's charity projects and nurses scholarship fund.

Mrs. Coss will serve as chairman of the bazaar with Mrs. Shirley Lane as co-chairman and Mrs. Lucy Reider in charge of ticket sales. Mrs. Darlene Garceau of Collinsville, president, was in charge at last night's meeting.

## LOCAL CLUB MEETS

IN ST. LOUIS  
Members of the V.T.B. bridge club were entertained last night in the home of a St. Louis member, Mrs. Walter Gillen.

Halloween decorations and appointments were used. Prizes in the games were won by Mrs. Fred Branding, Mrs. William

Thomas, Mrs. Ray Huff and Mrs. Clark Rhoads.

Refreshments were served to the members and a guest, Mrs. Nina Gorsuch, and plans were made to meet again Nov. 8 with Mrs. Ernest Corbin.

Goodness is a special kind of truth and beauty.

## Church Women's Society Meets

A meeting of the Women's Society of Peace Lutheran Church was held at the chapel, 3201 Er-indine drive, last night. There were three guests, Mrs. Ina Frand-son, Mrs. Esther Welser and

Mrs. Rosenwald, the latter from Germany.

Devotions and prayer were by the pastor, Rev. Bodo Melhing, and Mrs. Gladys Freeman and Mrs. Barbara Froemling reported on a church convention which they attended recently.

Mrs. Froemling, president, was in charge and plans were

### SCOUTS STUDY

A weekly meeting of Girl Scouts of Troop 170 was held Monday afternoon in the cafeteria of Louis Lacer school with the leader, Mrs. Jackie Frizzell, and assistant leader, Mrs. Betty Stroder. Maria Brassfield was welcomed into the troop as a new member.

The meeting was opened with a flag ceremony, the Girl Scout promise and the pledge to the flag. Badge requirements for interior decorating were discussed by the troop. A model room is being designed and decorated by the girls.

Samples of various materials are being collected by the girls as part of their badge work. The meeting was closed with the "Tunnel Song" by Deborah Jo Votoupal. Maria Brassfield, Ruby Young, Sharon Ann Morgan, Laura Wilson, Jackie Adams, Norma Kelly, Phyllis Frizzell, Kathy Brassfield, Connie Piechocinski, Christine Kelly and Norma Kelly.

### REBEKAH'S PLAN

MASQUERADE PARTY  
Delray Rebekah Lodge 78, met Tuesday evening in the Odd Fellows hall in Madison. The noble grand, Mrs. Virginia Galt, presided over a short business meeting.

A joint masquerade party for members of the Delray and Odd Fellows lodges of Madison was planned for the fall Oct. 30. Each member is to be dressed appropriately for Halloween.

Mrs. Galt, Mrs. Betty Gresham and Mrs. Ruth Hambrick were appointed to visit at the Madison Nursing home Nov. 1. Fourteen members responded to roll call.

The next meeting is to be held Nov. 13, which will be "Past Noble Grand Night."

### INFANT CHRISTENED

Philip Anthony Gordon, infant son of Mr. and Mrs. Thomas Gordon Jr., 1717 Rhodes street, was christened Sunday at St. Mary's Catholic Church. Father Sylvester Micko officiated, with the godparents being Mr. and Mrs. Sigmund Mulnik.

Others present were the grandparents, Mr. and Mrs. Faustina Turski and Mr. and Mrs. Thomas Gordon Sr. and Mr. and Mrs. Richard Bertacchi and family, Dr. and Mrs. Ben Turski and family, Mr. and Mrs. Edward Bonk and family, Mr. and Mrs. Aloys Ruesing and family, Mrs. Russell Kasting and family, Mr. and Mrs. Jim Boone and family, George Gordon, Pauline Williams, Sandra Gordon, Richard Bertacchi, Carol Kastelle and Tony Turski.

The group gathered at the Gordon home after the Christening ceremony. The Gordons have another son and a daughter.

Nature hikes were taken, games were played, and singing, dancing and popping of pop corn filled the evening. The girls attended church and did all the cooking, which included a campfire stew.

Those spending the weekend at the camp were Mary Nell Stroder, Christine Kelly, Connie Piechocinski, Kathy Brassfield, Phyllis Frizzell, Norma Kelly, Jackie Adams, Laura Wilson, Sharon Ann Morgan, Deborah Jo Votoupal and Ruby Young.

Girl Scouts of Troop 170, their leader, Mrs. Jackie Frizzell, and Mrs. Betty Stroder, assistant leader, spent the weekend at Camp Lakota. The girls worked toward badge requirements while on the campout.

### AFL-CIO Counseling School Begins Tonight

The AFL-CIO Community Services Union Counseling school will be held this fall beginning at 7:30 tonight at the YMCA. Classes will continue for eight successive Thursdays, except on Thanksgiving Day. Sessions will be from 7:30 to 9:30 p.m.

In a letter sent to locals recently, it was announced that the classes would be held at the Labor Temple, Community Services Chairman Earl Fronsburger emphasized the change in meeting place.

At the first class considerable time will be allotted to questions and answers. Qualified personnel will be on hand to answer questions concerning their respective agencies and departments.

The program is designed to acquaint the representatives sent by each local with the

health, welfare and social services available in the community for all to use.

Subjects to be covered and explained are public assistance and relief, social security, unemployment compensation and workmen's compensation, health agencies, and recreation and character building services.

A registration fee of \$5 per delegate will be charged to cover the cost of materials and a graduation banquet and certificate. The course is not limited to delegates of the locals. Any interested person may enroll on payment of the registration fee.

### Committee Dinner Monday

A dinner meeting for the 15 members of the Tri-Cities Chamber of Commerce Industrial Development committee is being called for 6 p.m. Monday at the Rose Bowl restaurant. It was announced today by Chairman C. E. Townsend.

## MORE ABOUT Quad-Cityans Concerned

(Continued from Page 1.)

scared me. I hate to think that my husband might have to go back to the service. But I think President Kennedy knows what he is doing."

Mrs. George E. Odum, Granite City housewife—"I hate to see us so close to a war. I think President Kennedy is taking the right action, but it should have been taken about an administration ago. We don't know yet how bad it is, but it's a different feeling to have it so close to us rather than in Europe or some where else."

Mrs. Joyce Gibson, Madison housewife—"I think the President did the right thing; there was nothing else he could do. I don't want war, but if we have to have one I don't know of any other way out."

Mrs. C. A. Dempsey, retired Kirkpatrick Homes resident—"I'm watching television every minute, and I'm so worked up I don't know what to say. I hate to see us so close to war, but we can't let the Russians take over so I think we did the only thing we could."

Granite City PRESS-RECORD  
Page 22 Thurs., Oct. 25, 1962

Gordon Dolan, Mitchell railroad worker—"I think the President had to take the action he did. This is one of the hazards we have to face in this hemisphere, and I don't think there is any other thing we could have done."

Lloyd McBride, sub-district director, United Steelworkers of America—"I think we're certainly watching this with some alarm. The next move of course is up to Russia and Khrushchev. Our course is charted, and I think it's the right course."

Virgil V. Grimes, retired Venetian resident—"I think he (the President) did just fine; there was nothing else he could have done. He should have done something about six months ago, and maybe it would all be over by now."

Eurba Cline, restaurateur—"It's time we stopped them. We can't let them go on. They're coming across here the first thing you know."

Mrs. Dorothy Hayes, 2819 Marshall avenue—"We had no other choice."

Mrs. Adam Barnhart, 4161 Lake drive—"I've been thinking very serious about it and listening to the news. The President has tried to cooperate with them and he's been very fair about it. He took about the only action he could take."

Mayor Leonard Davis—"I feel the President followed the right course. There's no great criticism from either political party or other high officials, and I think the entire country is behind him."

Edwin Reiske, president of the Tri-City Trades and Labor Council—"I think we should have done something a long time ago. I don't know if anything will come of this, but we should have acted over a year ago. I hope we can sit down and talk and avoid a war, but we had to take some action."

E. A. Karandjeff, banker—"The action was well taken and deserves the support of all the people."

Stephen Maeras, mayor of Madison—"The United States has always been a peace-loving nation and it takes a lot to get us mad. We usually turn the other cheek but this time we've been slapped on both cheeks. Our action was inevitable. Naturally, I hope war will not develop over it."

Role As World Leader  
John Belloff, president Madison school board—"What the President said was a must. He did the only possible thing he could do for world security and peace. After all, we're looked on as the leader of the free world."

Harold Fischer, banker—"In view of all information that has been made available to us, I feel the President's action was well taken though it possibly should have been sooner."

Dr. John E. Lee, Venice mayor—"I think it was something that was necessary. It is heartwarming to see the way other nations—those in Latin America and western Europe—have come to our assistance. The action we took was vitally necessary."

ankle; Partney, Rutledge, Whitmer, Mrs. Betine, Shackelford, Veech and Johnson. Absent were Nann, Skubish, Bartoski, Basarich, Cuvor and Charles Meyer.

Controversy Started Early  
Controversy started almost at the outset of the meeting. LeMaster as acting mayor called upon Rutledge to present the bills.

Rutledge pointed out he had resigned and had been replaced on the Finance committee when the Southern Illinois University government program was dumped. Nann, the chairman, was absent.

When Rutledge refused to vote a motion for approval and said the bill list was before the council, Whitmer said he saw nothing objectionable and would make the motion. The other committee members, Bartoski and Meyer, also were absent.

Attorney Changes Opinion  
Partney motioned he objected to the \$17,300 settlement and the United Disposal payment. City

## Five Charges Filed

Called to investigate a disturbance at 1321 Oriole street at 4:55 p.m. Tuesday, Venice police charged Donald Ray Zeigler, 20, of that address with disorderly conduct, profanity, resisting arrest, making criminal threats and peace disturbance. He was released on property bond to appear for a hearing Saturday.

Atty. Githoff, who first said the seven-to-two vote constituted passage, later changed his opinion, after Partney said he understood it would take a majority of aldermen elected to the council.

Githoff added the disposal firm could cite the city for breach of contract if the bill was not paid.

Partney commented the contract "should have been braced when it was brought in." He refused to change his vote. The council went on to approve a half-month payroll amounting to \$34,022.

Granite City's council members attending the Illinois Municipal League headquartered at the Hotel St. Nicholas, where City Engineer Johnston had a suite under the name of the Southwestern Illinois Council of Mayors.

Sessions of the convention were held at the Hotel St. Nicholas as well as the Hotel LeLand, where registration was conducted, and Hotel Abraham Lincoln.

## MORE ABOUT Zoning Plan

(Continued from Page 1.)

township, Butler gave an additional two weeks for persons to file affidavits listing any suggestions at the Mapping and Zoning Office in the county courthouse at Edwardsville.

While there have been no requests for changes at some of the previous hearings, such as in Granite City last week, Tuesday's session was the first at which no one expressed opposition to adoption of zoning by the County Board of Supervisors. The County Board is to receive the recommendations of the commission after all hearings have been completed.

To Hearings Held  
The hearing in Madison was the twelfth of the 24 to be held—one in each township of the county. Earlier, five informational meetings were conducted by the commission in various parts of the county.

The next hearing will be held at 3 p.m. Friday at the Alton city hall. The next will be Oct. 30 in Godfrey, Nov. 9 in Wood River and Nov. 13 in Chouteau township.

As the formal portion of the Venice township hearing drew to a close, Butler followed the customary practice of calling for comments from the public to be relayed to the County Board.

Mayor Maeras cited rapid growth of the county and said that laws and programs "good enough for our forefathers" are not necessarily good enough today. Change is necessary for progress, and the county zoning proposal falls in this category, he told the gathering.

The veteran public official said opposition often develops against city improvement programs but in most instances it should not be allowed to halt progressive steps. Once a new program is in effect and its benefits are obvious, persons who opposed it praise the leaders for their foresight, he commented.

Need To Protect SUE  
"Of particular importance to us is Southern Illinois University. I understand the new university project has been stymied and practically stopped. They don't want to invest millions of dollars in the campus unless there is control of adjacent development. I certainly wouldn't like to see near the campus what you and I have seen next to some universities."

"Dr. Lee of Venice asked me to say that he advocates and gives his support to zoning for the county. I would like to add my endorsement and support to the zoning commission and County Board of Supervisors."

Butler reviewed the background of the zoning proposal and noted that haphazard growth of rural areas has placed a heavy financial and administrative burden on the county government in such matters as access roads, sanitation and public health.

He said zoning could not be established only for the western fringe of the county because there would be no agency with appropriate jurisdiction to supervise the land use plan.

The commission chairman said that most opposition has come from townships which contain only cities—which are exempt from county zoning—and agricultural land—except from all regulations except setback lines to avoid traffic hazards at intersections.

Butler contrasted Tuesday's hearing in the spacious recreation center with sessions held during cold weather in small buildings which had "no heat, no light, no electricity and just us and some hostile people."

He attributed opposition given farmers to misinformation given them by a small group of touring zoning foes. The foes did not

## Elmer L. Price Dies; Granite City's Father

Funeral rites are to be conducted at an Alton funeral home tomorrow for Elmer L. Price, 54, of Alton, with burial in Valley Memorial Park there. He was the father of Mrs. William Jones of Granite City.

Mrs. Price died Tuesday at the Scott Air Force Base hospital after a long illness. Other survivors include his wife, Opal, two sons, two brothers, two sisters and seven grandchildren.

have their usual turnout Tuesday but were seen recording what was said.

Impact Of New Highway  
Changes which make zoning adoption urgent include population growth, development of the new state university here and construction of Interstate Route 270, Butler said, adding that the highway may stimulate establishment of several new communities in the county.

He linked the zoning foes with SUE, saying it has been impossible to tell whether SUE land acquisition sparked the opposition to zoning, or whether zoning preparations led to attacks on the university.

Pointing to the advantages of having a local university offering high education at comparatively low cost, Butler said, "I can't understand how local citizens could oppose it."

Districts In Venice Township  
Butler said county zoning would not affect Venice, Madison and the part of Granite City in Venice township.

An area in the southeast corner is zoned as residential, and land west of Granite City and extending north to the township boundary is zoned for manufacturing. Land west of the Chain of Rocks Canal is listed as agricultural, and the Kerr Island area is zoned as agricultural, Butler reported.

The chairman stressed that cities with large urban areas are affected by lack of zoning in rural sections because they pay the majority of county taxes and they have a majority of the people who are adversely affected by absence of zoning and its related effect on the entire county.

## Driver Fined After Car Hits Moving Train

Investigating a train-auto crash at Race street and Washington avenue at 1:30 p.m. Tuesday, Madison police charged Dorothy Branch, 18, of 301 Weaver street, Venice, with having no driver's license. She was fined \$15 by Police Magistrate John Brick that evening.

As she was driving south on Washington and saw an engine and caboose approaching the crossing, she applied the brakes and emergency brake but was unable to avoid the train, she told police. The front of the car, which was towed to a garage, was damaged in striking Terminal Railroad Association caboose No. 603.

## Chamber Helping Plan Dedication Program

The Tri-Cities Chamber of Commerce is cooperating with the Mississippi Valley Association and Army Corps of Engineers in arranging the program for formal dedication of the Mississippi River low water dam at 2 p.m. Thursday, Nov. 8, President Chester L. Baker announced today.

Events at the dedication will include a performance by the Granite City high school band. Other details are being planned at conferences between the three groups.

## Cars Damaged In Crash

A collision at 2:30 p.m. Monday at 12th street and Madison avenue, where a traffic light was in operation, damaged the right front of the northbound auto of Glen Walter Jennings, Mo., and left front of the westbound car of Ivan S. Calvin, 2048 Thirteenth street.

## Wallet Taken From Auto

Mrs. Joyce Roody, 2250 Lynch avenue, told Granite City police Tuesday a wallet containing her driver's license and personal cards were stolen from her parked auto Saturday at Bellemeor Village shopping center.

### RARE BIRD MISSING

FROM ZOO IS FOUND

Mr. and Mrs. Leo Pyles, 2040 Beckwith avenue, Madison, went boating and fishing Sunday at Morehead Lake near Columbia, Ill. While cruising on the lake, they saw a strange bird resembling a black swan.

They captured the bird from the boat and brought it home with them, immediately contacting the St. Louis zoo superintendent.

They were escorted by St. Louis police to the zoo, since it was late at night. The zoo superintendent told them a bird of that description had escaped, and he said he would be happy to get the bird back. Others had tried to catch the bird but had failed to do so, and one other bird is still missing.

### Venice Lions Calendar

Project Nearing Close

The Venice Lions club held a regular dinner meeting Monday evening at the Venice-Madison American Legion home, with 28 members present. The president, Gene Elgan, conducted the business meeting and a discussion was held on entertainment for the next meeting.

It was announced that Friday is the final day for calendar sales and all members should have their sales and listings turned into Donald Phillips by that day.

It is a rare bird from Africa and is valued at \$200.

Virgil Holman of Harding avenue is in St. Elizabeth Hospital suffering from a heart condition.

## THEY'RE EXCITING FOR '63!

Four entirely different kinds of cars at your Chevrolet dealer's One-Stop Shopping Center. One of the most exciting things about Chevrolet in '63 is the choice! Pick from not just four different sizes and styles of new cars, but four decidedly different kinds of cars. The luxurious new Jet-smooth Chevrolet, for one. Then there's Chevy II, a luxurious live wire, in its own right, yet over so low priced. Third, you have eight sporty Corvairs. And fourth, but far from last, the dramatic new Corvette Sting Ray. If your kind of car isn't here, it must run on hay.

'63 CHEVY II NOVA 400 STATION WAGON—It's sparing on expenses, but not on space.

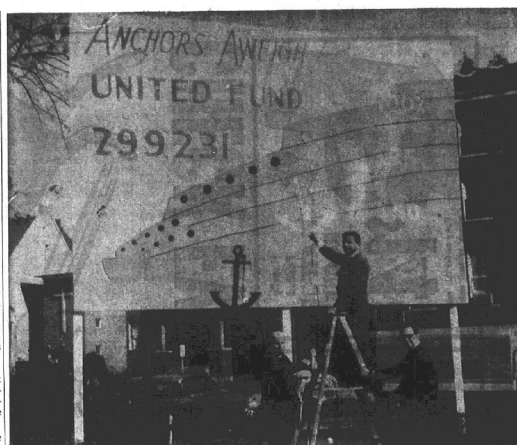

'63 CORVAIR MONZA CONVERTIBLE—With the same rear-engine driving magic.

NEW CORVETTE STING RAY SPORT COUPE—Yes, there's a convertible, too.

It's Chevy Showtime '63! See 4 entirely different kinds of cars at your Chevrolet dealer's Showroom.

### Added Benefits In Vets Rehabilitation Bill

As many as 5000 Illinois peacetime veterans who have suffered service-connected disabilities will benefit under terms of the peacetime vocational rehabilitation bill just signed by President Kennedy. John E. Nasser, regional manager of the Veterans Administration in Chicago, said today.

This bill extends to these peacetime veterans the benefits of VA's wartime Vocational Rehabilitation Bill.

The new law provides similar vocational rehabilitation training for peacetime disabled veterans as did the original vocational rehabilitation bill.

Veterans entitled to the benefits are those who sustained service-connected disabilities while in the Armed Forces—(a) during the period between world wars II and the Korean Conflict, July 26, 1947 to June 27, 1950; and (b) since Feb. 1, 1955. Application may be filed by writing Contact Officer, 2030 West Taylor street, Chicago 12.

### Rotarians View '61 News Highlights

Sound movies of news highlights of 1961 were shown at Tuesday's noon luncheon meeting of the Granite City Rotary Club held at the YMCA. Program chairman was James Louis.

A report on Rotary objectives was given by past president Edw. Meng, and President Gerald Broadway announced that next Tuesday's meeting would be devoted to a discussion of the proposed 1963 Horse Show, proceeds of which will be used for community service projects.

### Marriage License Issued

A marriage license has been issued in St. Louis to Michael D. Wiley of Granite City, and Alice L. Jones of St. Louis.

Another important change is that there is no time limit or final date for benefits under the new law.

## Nov. 10 Deadline Set For Library Art Show Entry

Nov. 10 is deadline for entries in the Granite City public library auditorium art exhibit scheduled for Nov. 26-Dec. 3. Entry blanks are now available at the library.

Only Quad-City artists will be permitted to enter, according to Mrs. Bonnie Fuller who is in charge of arrangements. The show is non-competitive and for adult artists only.

Mrs. Fuller said completed entry blanks and a \$1 entry fee must be sent to her before an entry may be considered. The entry fees will be used to offset expenses of the exhibit.

All works shown must be original and done without the assistance of an instructor. Mrs. Fuller said, Paintings, sculpture, drawings, ceramics and similar

**Christy To Address Management Clinic**

J. W. Christy, chief operations analyst for the Granite City Steel Co., will be a guest speaker before the 28th annual industrial engineering and management clinic Nov. 5-9 at Chicago.

More than 1000 production management executives are expected to attend. The clinic, to consist of technical sessions, is sponsored by the Industrial Management Society.

## Four Local Area Youths To Be Drafted Monday

Four Quad-Cityans are to report next Monday to the county selective service office in Edwardsville for armed forces induction. Three other youths are to report Monday for preinduction physical examinations. The area has only one quota next month—four youths to be drafted Nov. 21.

## Progress Reported In Dairy-Teamster Talks

Progress was reported this week in contract negotiations between representatives of the Dressel-Young Dairy Co. and Local 525 of the Teamsters and Chauffeurs Union.

Negotiations will continue in a meeting this afternoon which began with a luncheon session. A new contract to cover drivers, salesmen of the dairy firm is sought. The old agreement expired at the end of July.

Arthur Crouch, assistant business representative for the union, said Tuesday he feels progress has been made. He declined to state the issues yet to be resolved, but said he believes at least another two weeks will be taken to reach an agreement.

Jon Dressel, president of the dairy, told the Press-Record earlier driver-salesmen contracts involve commission scales and other problems not encountered in negotiations concerning other workers.

If you haven't had a cold as yet this year, watch out. You're overdue.

Statistics show that every American experiences at least one common cold a year, with October and November—

The result is what most of us consider the later stages of a cold — the coughing, sneezing, running nose and eyes, headache, general aches and pains and a feeling of misery.

**Complications Can Result**

Usually the body overcomes the infection within a few days.

What causes colds? No one knows for sure, but it's generally agreed that viruses are the culprits.

A virus is a living material so small that it's not even visible

If it doesn't, however, complications may result, with bacteria invading sinuses in the facial bones and setting up an acute sinus infection.

Bronchitis, pneumonia and other respiratory infections are also possible complications.

Strangely enough, there is no

through an ordinary microscope; special equipment is required to study it.

**Ways Colds Are Spread**

An insidious condition, the cold is generally spread via a sneeze, cough or handshake of a victim who has neglected to wash his hands after using his handkerchief.

**Need Medical Supervision**

Though certain medications have proved helpful in relieving the misery of the sufferer, the

It is interesting to note that there are actually two stages to the common cold—the virus and later stages.

The virus stage lasts only a few hours and produces relatively minor symptoms, such as irritation in the nose and throat. A feeling of "scratchiness" is

## Instant Scrambled Eggs Soon To Be On Market

Many new egg products loom this demand.

Instant scrambled eggs that can be prepared without cracking an egg or dirtying a frying pan are one of the egg products in the experimental stage.

When they have been perfected, a homemaker can rip open a slim foil envelope, shake out a crisp yellow cracker-like square,

**Potted Plant Care**

Potted house plants that have been outdoors need some special care when you bring them inside for winter.

Bring the plants indoors at least several weeks before you turn on the heat. This will give the plants time to adapt themselves

add a few doses of piping hot water and 60 seconds later serve a dish of scrambled eggs.

**Frozen Fried Eggs**

Another product in the experimental stage is frozen fried eggs. These are whole eggs that have been fried sunny side up and then frozen. The product need

Other egg products being tested are egg dip, egg Cantonese, egg loaf, frozen egg dessert and orange egg cocktail and egg-enriched orangeade.

Another new egg product, already on the market in some areas, is frozen French toast. It

Behind the flow of new egg product ideas is the consumer demand for quick, easy-to-use, nutritious food products. And further rapid growth of metropolitan areas and an increase in working wives will accentuate

## Bishop Hrant To Visit St. Gregory Church This Week

His Grace, Bishop Hrant Khatchadourian, Prelate of the Armenian Apostolic Church of America, will visit St. Gregory the Illuminator Armenian Apostolic Church, 1733 Maple street, today through Monday.

He will officiate at Divine Liturgy, Sunday, at 10:30 a.m., assisted by Rev. Gorun Shrikian, local pastor, and Deacons Asadour Bedian and Vahan Haroian. The church choir will participate, accompanied by Mrs. Mary Haroian, organist.

Immediately following the services, a dinner will be given at the church in honor of the visiting Prelate. He will meet with members of the board of trustees, Ladies Auxiliary, choir members, Mr. and Mrs. Club members, Sunday school teachers and other church members on Friday night at the church. Refreshments will be served by the Mr. and Mrs. Club.

Bishop Hrant returned recently from Antillas, Lebanon, where he met with His Excellency Catholicos Zareh I of the Holy See of Cilicia, under whose jurisdiction he serves. The Prelacy in this county is located in New York City.

Andrew Hagopian is president of the board of trustees of St. Gregory's Church whose congregation is composed of residents of Granite City, East St. Louis and St. Louis.

Other board members of the local church are E. Asadorian, John and Julie Vardanian and Vasken Haroian of this city; Arthur Bedian, St. Louis, and S. Hagopian. The latter is a delegate to the National Church Synod held annually.

### Collision On Lot

Margaret Goodin, 43 of 3706 Franklin avenue, and Harold Rody, 17, of 2006 Collinsville road, were involved in a collision about 8 a.m. Wednesday on the parking lot of Granite City high school. Police said there were no injuries.

## Temple Baptist Enters Development Program

The Temple Baptist Church, 714 McCambridge avenue, Madison, with a membership of 125, has entered the 1963 Southern Baptist Church Development Ministry. The pastor, Rev. Vernon D. Covington, this week announced.

Sponsored by the Home Mission Board of the Southern Baptist Convention for the Illinois State Baptist Association, the one-year program is planned to stimulate interest in the work of the local church. Participating churches in a recent year recorded twice as many baptisms per member as the Southern Baptist convention average.

Each participating church selects projects relating to the local church, the community and world-wide missions.

Pastors recognized for their achievement receive a parchment scroll and churches recognized receive plaques. A "Record of Progress" book is made under the direction of a special committee. The books are the basis of judging.

Lewis W. Newman of Atlanta, Ga., associate secretary of the Association's Missions department, in charge of church development and In-Service Training for the Home Mission Board, is responsible for the ministry. He has stated that "total enlistment of a church's membership in Christian service is the primary aim and value of the Church Development Ministry."

**COUNTY ZONING** hearing held for Venice township residents at the Madison memorial recreation center Tuesday afternoon attracted 40 persons. All those speaking urged adoption of zoning to encourage orderly growth of unincorporated areas of Madison county.

A section of the audience is shown in the top picture. Those in the lower photograph (left to right) are Joseph Wickenhauser, Godfrey, and Harry Kluge, Collinsville, members of the County Zoning Commission; William Lawrence, planning consultant; Mrs. Marilyn Heinemeier, hearing clerk; Thomas Butler, Alton, commission chairman, who presided; and Edwin G. Schmitt, Granite City, and James Mason, Edwardsville, commission members.

### Released On Bond

Royce Hilliard, 38, of 2610 Edwards street, pleaded not guilty to a charge of theft Wednesday morning. He was released on \$500 property bond. Police Magistrate Gasparovic set his hearing date for Nov. 14. Hilliard was named in a warrant for shoplifting at Kopyak road on Nameoki road.

## Richard Knogl Dies; Retired GC Grocer

Richard Knogl, 74, former Granite City grocer, died at 11:50 a.m. Tuesday at St. Elizabeth Hospital after a 2½-year illness. He had been at the hospital a month.

Mr. Knogl lived at 2438 Grand avenue. He was proprietor of a grocery store and meat market

at 20th street and Park avenue for 30 years prior to selling the business in 1944.

Born in Yugoslavia, he had been a Granite City resident since 1906. He came here from Yugoslavia. He was a member of the Sacred Heart Catholic Church, and belonged to the Greater Beneficial Union and Lodge Rajska Glas, SNPL.

Mr. Knogl's wife, Julia, preceded him in death in 1957.

He is survived by a daughter, Mrs. Mary Ann Lynn of Milwaukee, Wis.; a nephew, Carl Knogl of Granite City; four grandchildren; four other nephews and three nieces.

Funeral arrangements appear in the obituary column. Our thanks should be as fervent for services received, as our petitions for services sought. —C. Simmons

be justified." A sinner is not able to live the life of a child of God.

With Jesus Christ came the revolution: God made clear that there was a way to righteousness without the impossible obedience to the law. God would give His own righteousness, freely, by grace, to all who would believe it and accept it in good faith.

## REFORMATION

That was needed, too. Some in the church were teaching that God's grace merely gave men a start. After that a man could be justified "by the works of the law." But how could you ever know if you were? Was enough ever enough?

The Lutheran Reformation made clear once again that on the basis of Scripture alone we can be sure that righteousness is a gift of grace alone and can be received by faith alone. That Reformation is worth celebrating.

## REGENERATION

This remains. It is what every man needs — a new birth. The Spirit of God is available to give it to you. Come — where He may be found!

## PROTESTANT MANIFESTO

VOLUNTEER ENLIST UNITE

Platforms and rallying cries are not limited to political parties. The Christian Church made its position ringingly clear in the Reformation. On the Festival of the Reformation we should give the Protestant principles the serious attention they deserve.

"God would have all men to be saved and to come to the knowledge of the truth."

"The just shall live by his faith."

"A man is justified by faith without the deeds of the law."

"By grace are we saved through faith; and that not of ourselves: It is the gift of God; not of works, lest any man should boast."

There are more — which is one of the reasons our congregations have regularly scheduled classes to help you study the truths of the Bible. We say, "Come!" And the Lord says, "Come unto Me!" But come with a prayer, because Jesus Christ tells all who follow Him, "Ye have not chosen Me, but I have chosen you."

#### Law Suit May Be Filed Against Local YMCA

The local YMCA may be named defendant in a third party law suit over the injuries allegedly sustained by John Duggan on the sidewalk near the "Y" entrance Sept. 26, 1961. Duggan of Granite City has filed suit for \$75,000 against the city, Midland National Insurance Co., with which the city has its sidewalk insurance, notified C. A. McMillan, general secretary of the YMCA, by certified mail Monday that, should it become necessary for the city to answer the complaint filed by the plaintiff, a third party suit will be filed against the YMCA.

It is alleged that "the defect that caused the alleged fall and

#### Girl, 8, Bitten By Dog

Pamela Townsend, 8, daughter of Mr. and Mrs. Irvie Townsend, 2844 Lake drive, was treated for a dog bite on her left thigh Monday night at St. Elizabeth Hospital. She suffered only a small break in the skin. A tetanus inoculation was administered. The dog, which belongs to a neighbor, reportedly had received anti-rabies inoculations but will be kept under observation for 10 days.

The "Y" is insured by the General Insurance Co. of America. The letter has been referred to the local company representative.

#### Duty Career Stressed During 'Navy Week'

With the Navy Week observance underway this week, local Navy Recruiter William Jones pointed out today, "Life in the U. S. Navy is both an adventure in living and a satisfying career."

"From the moment a recruit takes the oath of enlistment, he is a Navyman, a valued member of a great service honored for its long tradition of patriotism, valor and victory."

"The Navy is a powerful, closely integrated organization, worldwide in scope and operating on time-tested principles that have made it the most potent of the world's navies. Its mission is to maintain the freedom of the seas in peacetime and to control the seas during periods of conflict. Fulfillment of this mission creates a continuing challenge to every Navyman."

"Part of this challenge is the personal one that every Navyman must meet, the challenge of patriotism. By his act of enlistment, the Navyman has answered one part of it. He has declared himself ready to defend his homeland, its people and its institutions of freedom. In the years of his active duty service he will answer the rest of the question by his dedication, his courage, and his determination to live up to Navy tradition."

"Down through the years of our country's history the Navy has built a tradition of devotion to duty, courage under fire, and victory in battle. This tradition began with John Paul Jones. It gained strength in the dedication of such as Decatur, Perry and Lawrence. It grew through the example of Farragut, Dewey and Sims, and gained new strength in world war II and Korea. This Navy tradition is a living credo that demands of every Navyman the very best in order to preserve the priceless human liberties guaranteed by our Constitution."

"This is the spirit of our Navy."

**Mrs. Knufinke Attends State Library Meeting**  
Mrs. Mary Gene Knufinke, Granite City librarian, is attending the Illinois Library Association conference in Springfield today. The meeting is scheduled to run through Saturday.

General theme of the 66th annual conference is "Challenges in the Sixties." The Illinois State Library is host, in cooperation with other Springfield libraries. Secretary of State Charles F. Carpenter, state librarian, said the conference will feature outstanding authors and librarians from throughout the United States. Speaker at the annual banquet Friday night will be Robert St. John, writer and foreign correspondent.

#### Local Sailors Enter Advanced Training

Four Granite City men have entered the advanced phase of recruit training as members of the special "Illini" Recruit Co. at the Great Lakes Naval Training Center.

The "Illini" company is made up of about 80 men from Illinois who will undergo nine weeks of recruit training together. The company has undergone the three-week primary training phase.

William L. Jones, local Navy recruiter, said the advanced training will include classroom instruction with practical experience in weapons, fire fighting, shipboard routine, first aid and other basic naval subjects.

The four local sailors are David L. Jaeger, son of Mr. and Mrs. William H. Jaeger of 3441 Lydia lane; Daniel R. Fitter, son of Mr. and Mrs. Martin Fitter of 1702 Kirkpatrick home; Terry L. Tisworth, son of Mr. and Mrs. Paul H. Tisworth of 2722 Myrtle avenue; and Thomas E. Ryan, son of Mr. and Mrs. Earl E. Ryan of 3965 Lake street.

**Granite City Mother Needs Blood Donors**  
Ten "A negative" blood donors are needed by a Granite City mother of two. She must undergo open heart surgery in the immediate future to correct a rheumatic heart condition. A valve is closing in the heart and a corrective operation must be performed soon if her life is to be saved.

The blood donations and heart surgery will be scheduled at Jewish hospital in St. Louis as soon as enough volunteers are available.

The woman is Mrs. Leona Lumpkins (formerly Motes) of 2249 Washington avenue. She said the blood must be donated the day before the operation.

Mrs. Lumpkins said volunteers may call Jewish Hospital to offer blood. Volunteers will be required to go to the hospital to be typed first, then return to make the actual donation.

'Ooh La La' Theme

## Musical Program By MHS Choir At Banquet

A musical program with a French theme, presented by the Madison high school senior choir, was a highlight of Tuesday night's 22nd annual meeting of the Tri-Cities Chamber of Commerce.

The program featured choir numbers, solos and a special "Maurice Chevalier" dance number.

Directed by Mrs. Valerie Stevens, vocal music supervisor for the Madison school system, the musical program was entitled "Ooh La La Parisienne." It was warmly received by the 250 persons in attendance at the

Venice-Madison American Legion hall.

Full Presentation Nov. 9 Mrs. Stevens said the full program will be given at a special review to be presented at 8 p.m. Nov. 9 in the Madison high school auditorium. Admission will be charged with proceeds to go into the music department fund to pay for trips to music clinics for the students.

"We also will present it Oct. 31 at a morning assembly at Venice school under an October program," Mrs. Stevens said. Solists for Tuesday evening's preview performance were Sandra Williams, a sophomore; Elaine Russell, a junior; Cynthia

### Charles A. Cross, 45, Stricken At Work, Dies

Charles A. Cross, 45, of 4724 Nameoli road, died at 2:45 p.m. Tuesday at Barnes Hospital, St. Louis, of a cerebral hemorrhage. He had been stricken at work a few hours earlier.

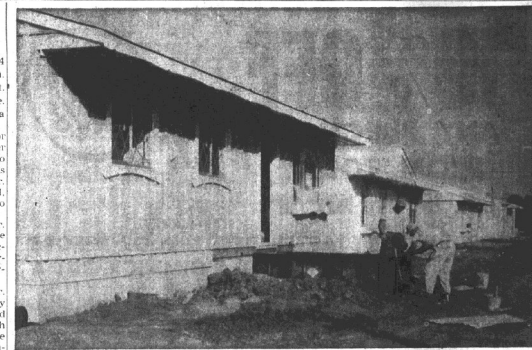

Mr. Cross had been ill for three weeks and had been under medical care. He returned to work Tuesday at 7 a.m. and was stricken about 45 minutes later. Rushed to St. Elizabeth Hospital, he was later transferred to Barnes.

A motor grader operator, Mr. Cross was employed by the Hoffken Bros. Inc., construction firm. The company is currently working on new Interstate Route 270 near Mitchell.

Born at Vergennes, Ill., Mr. Cross had been a Granite City resident 12 years. He attended the Mitchell Presbyterian Church and belonged to Triple Lodge 877, A.P. & A.M. He was a member of Local 520 of the Operating Engineers.

Survivors include his wife, Gertrude; two children, David and Alice, both at home; a brother, Roy, of Chicago; a sister, Miss Ruby Cross of Murphysboro; and his parents, Mr. and Mrs. Willis A. Cross, also of Murphysboro.

Funeral arrangements are given in the obituary column. Desire hath no rest. —Robert Burton

## New Corn Syrup Refinery Pilot Plant Nears Completion At Union Starch

Virtually all machinery and equipment for the new corn syrup refining pilot plant at Union Starch & Refining Co. has arrived.

The fully-automatic plant, located inside the industry's main entrance on 19th street, is scheduled to be placed in operation early next year.

Set in place this week on the third floor of the new building were two large filters, each weighing 22,000 pounds.

Special Railroad Routing  
Special railroad routing from Chicago was required for the filters because of their width.

They arrived at Chicago from Denmark via the St. Lawrence Seaway. Thomas Lyons, traffic manager for Union Starch, went to Chicago to arrange the routing.

"We had to schedule movements at night only on local trains because of the possibility of derailment due to swaying on faster freight trains," Lyons explained.

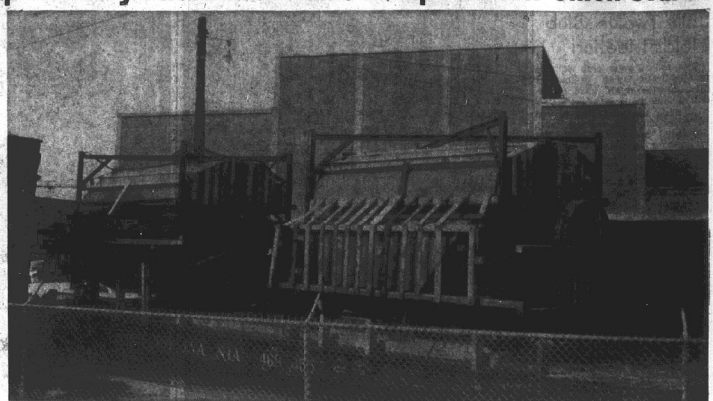

The filters, which will be used in a new fully-automatic corn syrup refining operation, are over 13 feet wide and over 13 feet high and are 23 feet long.

Both arrived on the same rail flat car. A crane is being used to unload them from the car to the factory floor.

Building Left Open  
Because of the large amount of equipment being installed, the west end of the new structure was left open.

The two filters arrived at the Madison yards of Illinois Central Railroad and were moved to the plant site by Terminal Railroad Association without delay.

While the new pilot plant will not be a large producer, Union Starch & Refining Co. bought it from Karl Kroyer Co. in Denmark, and if its operation is successful, corn syrup refining processes at the local plant are to be changed.

READY FOR UNLOADING from a rail flat car after special routing from Chicago because of their 13-foot widths are two large filters for the new fully-automatic corn syrup refining plant at Union Starch & Refining Co.

The 22,000-pound filters are to be hoisted to the third floor of the new building to the rear. The west side of the structure was left open to receive the new equipment arriving from Denmark.

The installation is scheduled for completion late in December. Most modern available. John McBride, plant manager and vice-president of the firm, said the new pilot plant is the most modern available for the production of glucose products.

Modernization of the local plant facilities also is continuing. Operation of a new starch flash dryer is set for Nov. 1. It is the firm's third starch dryer and is of a new type.

The new unit, which will be used in addition to two belt-type dryers, is located atop the dry starch building inside the plant.

Flow Space Increased In Cionko's Remodeling

A complete remodeling project recently completed has doubled the floor space of Cionko's AG Market, 2901 Madison avenue, according to John Cionko, proprietor.

The project included complete renovation of the store inside, as well as addition of a modern brick and glass front and entrance. A new meat case and new fixtures throughout the store were also added.

Cionko has operated the market for the past six years. His father operated it before him, and the business has been in the Cionko family for about 30 years.

"Quality meats have been a major feature of our store for a long time," Cionko said. "The increased floor space and wider aisles make it easier for our customers."

Cionko said the store also features a complete line of fresh fruits and vegetables, as well as a wide range of the usual staple grocery items.

### Election Information At Bank Booths Friday

Voting information will be given to the public, and inquiries relating to voting will be answered at booths to be staffed by the Granite City Provisional League of Women Voters from 4 p.m. to 7 p.m. Friday at the First Granite City National Bank, Granite City Trust and Savings Bank and American National Bank of Granite City.

Introduced as a community service, the project will have as its goal more widespread knowledge among voters of when, where and how to vote properly in the Nov. 6 general election.

Mrs. George Mearse, voters' service chairman of the league, announced this week that those at the booths will be happy to aid the public in any way possible to clarify questions regarding the voting to be conducted Nov. 6.

A similar program is planned for the following Friday, Nov. 2, when booths will be operated at the A & P Food Store and the Belmore Tri-City Grocery Co. store.

Reese Drug Opening 10th Store, E. Alton

Reese Drug Stores, Inc., this weekend will hold "grand opening" festivities for the firm's 10th store. It is in the new East-gate shopping center at East Alton.

Announcement of the grand opening was made this week by Walter A. Reese, president, who opened his first store on Niedringhaus avenue, Granite City, in 1923, nearly 40 years ago.

Reese also has a second store in Granite City at the Belmore Village shopping center, one in Madison, a second one in East Alton and other stores in Alton, Chokio, Wood River, Jerseyville and O'Fallon, Mo.

The newest store is the largest in the Reese chain.

### VENICE TEACHERS, BOARD To Hold Salary Meeting

A meeting between representatives of teachers in the Venice school system and the Venice board of education to discuss a new salary schedule is set for 7:30 p.m. Monday at the school board office.

Supt. John O. Pier said a meeting planned Tuesday night was postponed because a number of persons involved were unable to attend at that time.

A new salary schedule approved by the board earlier this year has never been accepted by the teachers. The Venice teachers are represented by Local 965 of the American Federation of Teachers.

# Hallowe'en Traditions Date Back More Than 2000 Years

**By JOHN W. ALLEN**  
Southern Illinois University  
Many who no longer find delight in the "trick or treat" antics associated with Hallowe'en are nevertheless intrigued by the bit of ancient practices that have come down through more than 2000 years since the observance began in the British Isles.  
Several centuries before Christianity, the Druids of Britain, Ireland and northern France set aside a day called Samhain, the summer's end, to be observed on the last day of each October. It was a festive occasion on which they did honor to their sun god and the beginning of a new year and the beginning of the Samhain. The Druids feasted upon the harvest of the past season, special attention being given to the recently ripened nuts and fruits. They also engaged in weird, mystical rituals designed to win favor with the sun god and his blessing for another good crop season. Bonfires that would drive away evil spirits were lighted on the hills. Groups of masked, costumed individuals, carrying torches, were led by their priests through the fields.  
**Romans Make Changes**  
When the Romans came to Britain they banned these druidical practices and with the zeal of Christian missionaries, substituted others of their own. A new day and a new date—Nov. 1—were proclaimed. The day of Samhain, thus became the Eve of All Hallowes, since a festival was held on the night of the departed. Modern usage drops the apostrophe. Thus, the customs of Samhain became those of Hallowe'en. It was the belief of the druids that the spirits of the departed came back each Oct. 31 to revisit the homes and haunts of their lifetimes.  
To honor the spirits, the living set a clean table with sparkling cups and saucers and a pitcher of cold water. The house and even the flagstone steps were scrubbed. This was to gain the favor of the returned spirits who often came to avenge wrongs, vengeance, and do mischief.  
**Return of Spirits**  
The belief in the return of departed spirits persisted, but was evidently influenced somewhat by the coming of a new religion. The whole plan became more localized.  
The Cave of Cruchan in Connaught was said to be the place where the departed spirits dwelt. The opening of this cave was designated as the Gate of Hell.  
In this cave the spirits of the departed dwelt all the year until Hallowe'en. Then the gates were opened and the impounded spirits rushed forth for their night of freedom. With escaping spirits, there always went a number of copper colored birds that took and exchanged babies, killed animals and stole babies. Those who boiled eggs, shells could rest assured that they would not be harmed by these evil birds and spirits.  
**Jack-O-Lantern Tradition**  
Hallowe'en without Jack-O-Lanterns would not be nearly so interesting.  
The name of Jack-O-Lanterns comes from a man so selfish and selfish that he was denied admission to heaven. Because he had played a practical joke on the devil he was also refused admission to the devil's realm and sentenced to wander over the earth carrying his lantern until judgment day. Jack-O-Lanterns are a part of the Hallowe'en tradition. The children of Scotland fashion them from turnips and small candles, the American youngsters use pumpkins.  
Some of the ancient practices of Hallowe'en remain with us. Youngsters bob for apples. Apple seeds are popped on a hot stove lid to tell who loves whom. Nuts are burned on the hearth to see which lover would be congenial and faithful.  
Much of the old of Hallowe'en survives, in altered form. Instead of the destruction wrought by pranks some of the old practices have been turned into new purposes. A few Hallowe'ens ago \$750,000 was raised for use in world health. Some merchants offer prizes for the best window pictures, and even furnish watercolors for the job.  
Why not bob for apples, respond to "trick or treat" appeals, crack nuts on this Hallowe'en, just as it has been done for centuries, pausing a moment to think of its story?

## Survey Shows Few Jobs For The Non-Graduate

A preliminary analysis of data obtained from a special youth employment survey of employers of Madison and St. Clair counties in June was released today. The survey concerned hiring practices of area employers in relation to persons under 22 years of age.

Of 377 responding firms, 73% had employees under 22. These firms employed approximately 41,300 workers, seven per cent of them under 22. Another 133 firms, employing 5300 persons, had none under 22, had hired none in the past 12 months and expected to hire none in the next 12 months.

Clerical jobs employed 31% of the young people. Fifty-three per cent found occupations requiring little or no skill. Workers in professional, managerial and similar professional occupations made up only seven per cent of employ-

ees under 22. Three-quarters of the firms hiring young workers required them to be at least 18. Few opportunities existed for job seekers 16-17 years old.

However, 21% of those hiring personal service workers indicated 15 years as the minimum age. For those 18-20, more jobs seemed to be in lesser skilled areas than in the higher skilled field.

Jobs not requiring a high school diploma exist primarily in lesser skilled and poorly-paying jobs. Three-fourths of those hiring workers in professional, semi-professional, managerial, clerical or sales occupational groups required at least a high school diploma.

M. A. Thompson, manager of the local state Employment Service Office, said more detailed data with a narrative analysis will be released in the near future.

## Masonic Lodges Plan Halloween Party

A Halloween party will be sponsored by the Granite City Masonic lodges as a family night event next Monday at the Masonic Temple, 20th street and Cleveland blvd.

Eugene Ross and Harold Davis, co-chairmen of the program, announced that all master Masons, their families, friends and guests have been invited to attend.

Children 12 years of age and under are invited to attend in costume, and may participate in costume judging. Prizes will be awarded, with all children receiving the traditional Halloween treats.

## St. John Church Banquet Nov. 3; Centennial Event

A Nov. 3 banquet will climax a year-long centennial celebration of the St. John United Church of Christ, 2901 Nameoki road. Direct descendants of the church's founders will be honored.

Speakers for the occasion will be Miss Frieda Dexheimer, daughter of former St. John's pastor Rev. Karl Dexheimer; two former pastors Rev. Paul E. Schoppe and Rev. C. H. Uhlaut; and Rev. Paul Surbey, now pastor.

Oliver Jacobsmeier, chairman of the centennial banquet, said every family in the church will be contacted by a member of the ticket committee.

The banquet will be held at the Coolidge junior high school, beginning at 6 p.m. Descendants of the church's founders will be seated at a special table. Oldest member present will also be honored.

Judy Carraher is decorations chairman for the event. Co-chairmen of tickets are Dick Oliver and Dale Reed.

**Childhood Incidents**  
Miss Dexheimer is Christian education director at St. Paul United Church of Christ, Belleville. Her father was St. John's pastor from 1917-28. She will tell incidents she recalls from her childhood in the church parson-

age. Rev. Schoppe was St. John's pastor from 1928-1944. Now re-

tired, he makes his home in St. Louis. He was succeeded as pastor of St. John church by Rev. Uhlaut, who served here until 1953. Rev. Uhlaut is now pastor of the St. John United Church of Christ at Freeport, Ill. Rev. Surbey became pastor of the local church in 1954. He and the former pastors will discuss the history of the church during their terms as pastor.

St. John Church was organized on June 28, 1862.

### Mrs. Sam Meyer Hostess For Literary Club

A review of the book "Toward The Morning," (H. Allen) given by Mrs. E. D. Kinnard, highlighted the meeting of the Lesche Literary Club Tuesday afternoon in the home of Mrs. Sam Meyer on Yale drive.

The hostess served a dessert to ten members and later presided over the meeting in the absence of the president, Mrs. Henry George.

The usual business was transacted and Mrs. E. K. Veith, who served as program chairman, led a general discussion on current events.

The next meeting, a president's luncheon, will be held in the Veith home on Pontoon road, Nov. 13.

### UPW Executive Board Meets

An executive board meeting of the United Presbyterian Women of First United Presbyterian Church was held Tuesday morning at the church, 22nd street and Delmar avenue.

Devotions from the Year Book of Prayer and prayer by Mrs. J. W. Senoff opened the meeting. Mrs. George Holtzner, president, was in charge and there were reports by the Fellowship, Program and World Service departments.

Announcement was made of the rotation of the various circles for 1963 and of the annual World Community Day service Nov. 2 at Trinity Methodist Church sponsored by the Quad City Council of Church Women.

The programs and meetings for the coming season were discussed and the budget for 1963 was presented and recommended for acceptance. The meeting closed with the benediction. Seven officers were present.

### FAMILY REUNION AT COMMUNITY CENTER

A family reunion was held at the Lincoln Place Community Center this week honoring Mrs. and Mrs. Grover French of Gillet, Ark., who have been visiting Mr. and Mrs. Sidney French, 3228 Roger avenue, a brother and sister-in-law of the former.

Those attending were Mr. and Mrs. Calvin Barnes and children, Evelyn and Stanley; Mr. and Mrs. Carl Robinson and children, Margaret, Carlo, Diane, Fattie Sue and Jimmy; Mr. and Mrs. Carl Barnes and daughter, Carol; Mr. and Mrs. Edward Barnes and children, Debbie, Cecil, Cecilia, Rhonda, Timothy, Penny and Tommie; Mrs. Sallie Robinson; Mrs. Cathryn Waggoner and daughter Sharon; Marvin Travis and son, Larry; Mrs. Ann Hall; Mrs. Marie Gregory and children, David and Renae; Mrs. Florence Green and daughters, Carolyn and Janet; Mrs. Peggy Watts and children, Linda, Edith, Darlene and Jimmy; Marshall Travis; Mr. and Mrs. Glyn Hollis and sons, Keith and Kevin; Richard Miller; Bonnie Finelli; John Ryan and Mr. and Mrs. Sidney French and son, Terry.

Another member of the family, Mrs. Ethel Weeks, of Cumberland City, Tenn., who was visiting here and was to have been present at the reunion, was summoned home due to the serious illness of her daughter.
